THE GUARANTEED HAIR PLAN

BECAUSE I WOULD RATHER HAVE HAIR THAN NOT

By T.G.M. KLAR, President: Klar Company, M/O Division

THE PICTURES ARE THE PROOF. I certainly think that I look much better with a healthy head of hair than without.

When my hair became thin and started falling out I became concerned.

Through an artist's rendition in the retouched photograph of me without hair you can see why I would be concerned. Like most people I would rather have hair than not, however, I did not want to have thin, lifeless hair.

The picture on the right is a recent photograph of me - **totally unretouched** - with a thick, healthy head of **MY OWN** hair at 35. As you can see I am no longer worried about a hair problem. **How did I solve it?** Actually, it was just a simple **1-2 step** once I found the solution. After years of trying different hair products, shampoos, creams and vitamins to help my own thin hair problem, I recognized that **MANY** hair problems, male and female, were two-fold.

FIRST: Hair may become oily and limp, dry, lifeless and **THIN**.

SECOND: Healthy new hair might **GROW OUT SLOWLY** or may **NOT** grow out at all in places. It became obvious to me that for a two-part hair problem, a two-part solution was needed.

(1) I had to find a way to get back a **thick, healthy growth of hair**.

(2) I needed to find a substance that would **protect** the hair that I had. Something that would make it appear healthier and **THICKER** right away. I didn't want to wait for 6 months or a year. As you can imagine, my Company and I went all out to find a solution.

After several years of research, we finally came up with a solution. It came in two steps: **Step 1** - Solved my problems of having limp, lifeless and **THIN HAIR**, and **Step 2** - Solved the problem of my **HAIR GROWING OUT SLOWLY** or not growing at all in places.

— THE SOLUTION —

[PART 1] Since your **HAIR** and **SCALP** grow from **THE INSIDE OF YOUR BODY OUTWARD**, it is **absolutely necessary** that you have the ingredients for a healthy scalp and a thick full head of hair **INSIDE YOUR BODY**. That is just **COMMON SENSE**.

Doctors and Scientists, Nutritionists and Beauty Experts have stated that without the ingredients **INSIDE** your body needed to feed the scalp and hair at the roots, the following problems may develop: A greasy, oily dandruff • Dry hair lacking shine, luster and body • The premature graying of hair • Oily hair • **SLOW** growing hair • Thin hair • and the • Falling out of hair in some cases for women as well as men.

But what are the ingredients necessary for healthy hair, skin and scalp?

We researched the latest reports of Scientists, Doctors, Nutritionists and Beauty Experts. After we completed the research, we needed to develop a special formula combining many of the **EXPERT'S RECOMMENDATIONS**.

For this, my Company and I turned to one of America's leading Pharmaceutical Laboratories. Not for some magical cure-all but simply for a common sense, completely safe, **HIGH POTENCY SUPPLEMENT** containing **57 SPECIFIC INGREDIENTS**.

The chemists went to work on scientifically formulating this **HIGH POTENCY SUPPLEMENT**. They found ways of putting together ingredients recommended by many Doctors, Nutritionists and Beauty Experts as a **MUST** for healthy **HAIR, SKIN** and **SCALP**. They were able to put it all into a completely safe, easy to take and convenient **TABLET** form.

Among the **57 INGREDIENTS** contained in the tablets are **PROTEIN-AMINO ACIDS, 12 VITAMINS, LIPOTROPIC FACTORS, 10 MINERALS, NUTRIENTS FOR THE SKIN, R.N.A., plus IRON and BIOTIN**. **BIOTIN** is a nutrient recently reported to aid many with scalp problems, thinning hair, as well as balding.

Finally, after years of waiting, the tablets were completed. Next came the big test.

WOULD THE TABLETS REALLY WORK FOR ME?

My recent photograph speaks for itself. **BUT WHAT ABOUT OTHERS?** By 1978 the results were in.

In the past year our **PLAN** tablets have become one of the world's largest selling tablets designed for **HAIR** and **SKIN**.

Since they are so safe that they do not require a prescription, our tablets have been ordered and **even more important RE-ORDERED** by the **MILLIONS** of satisfied customers from every state in the United States as well as from Canada, Australia, Europe, Asia and even Africa. Finally, after years of research and development I had the tablets that gave me the necessary ingredients for healthy **SCALP, SKIN** and **HAIR** that really worked, but I didn't stop there.

I wanted something that would help to **MEND** and **PROTECT** the hair that I had left on my head as I realized it takes time for new hair to grow out. That brought me to the second part of our **GUARANTEED HAIR PLAN**.

[PART 2] We again went to the laboratory and research. We found that scientific tests have shown that when a substance known as **PANTHENOL** was regularly shampooed into the hair, it moisturized the hair, conditioned it and **REPAIRED DAMAGED HAIR SHAFTS**. But that wasn't all - further test results showed that it also **FLUFFED UP** hair and actually **MADE IT THICKER**.

This was the answer we had been looking for. Getting fantastic results and **THICKER** hair by simply shampooing liquid **PANTHENOL** into the hair. No waiting for months and years.

At last, the laboratory gave me a shampoo-in sample with another ingredient called **P.A.B.A.** added to the **PANTHENOL** to further protect the old hair.

I personally tested the **PANTHENOL** and **P.A.B.A.** on my own hair. The very first day I used it I found it to be the most **FANTASTIC** hair conditioner I have ever used!

My hair was **IMMEDIATELY** healthier looking, **FLUFFIER** and **THICKER**, **HOWEVER**, I didn't stop the test there. I went to friends and relatives and asked them to try it. Next, I went to the experts and the public. I asked hair dressers in Beauty Salons to test our Hair Conditioner themselves.

When the reports came in, they were all raving about their fantastic results. They wanted to know where they could buy more. They said it left their hair **Healthier Looking, Fluffier** and **THICKER**.

By combining these two great products: the first for **SCALP, SKIN** and **HAIR CARE FROM WITHIN**. The second, A **LIQUID CONDITIONER** that **MOISTURIZES, CONDITIONS** and **THICKENS HAIR FOR IMMEDIATE RESULTS FROM WITHOUT**.

I had finally found a **COMPLETE SOLUTION** to my hair problems. Having found what I believe to be the **very best HAIR CARE PLAN** in the world and being the President of a Company, I decided it was just good business sense to make this plan available to everyone. So... We named it **G.H.P.** which stands for **GUARANTEED HAIR PLAN**.

Why Guaranteed Hair Plan?

Because our Company **GUARANTEES** the following:

After taking the tablets and shampooing in the **PANTHENOL, P.A.B.A.** hair conditioner for two weeks, **Trying it - Testing it - Comparing it to any and all other HAIR CARE PRODUCTS** in the **WORLD**, regardless of their price, \$50-\$75 - or even \$100.

If you don't agree that our **GUARANTEED HAIR PLAN** is the **VERY BEST** and most sensible hair plan available anywhere, return the bottles within 30 days of purchase and you will receive your money back. **NO QUESTIONS ASKED**. In other words you **MUST** be satisfied. It **MUST** work for you **WITHOUT EXCEPTIONS**, Male or Female, Young or Old, or it costs you nothing.

What could be fairer?

Would you like a naturally healthier looking, more manageable, fuller, thicker head of hair? Order now and discover for yourself why so many say that: For Problem Hair - **THE GUARANTEED HAIR PLAN IS THE VERY BEST!**

— NOW FOR THE BEST PART —

BOTH the tablets containing expert's recommended ingredients for **HEALTHY** good looking **SKIN, SCALP** and **HAIR**, as well as the concentrated, long lasting **PANTHENOL & P.A.B.A. CONDITIONER** for **FULLER, FLUFFIER, THICKER HAIR** is now available by mail order. **BOTH** for **ONLY \$19.95**, plus postage and handling.

To order, send your check or money order for only \$19.95 plus \$1.40 for postage and **RUSH** handling to: **G.H.P., Department VS34** P.O. Box 1048, Manchester, N.H. 03101.

An ATLAS BODY? In 7 days

my method of DYNAMIC-TENSION starts giving you results you can feel and your friends will notice. Big, useful muscles. Gain pounds in weight where needed.

Lose "pot belly." Take a good honest look at yourself! Are you proud of your body — or are you satisfied to go through life being just "half the man" you could be? No matter how ashamed you are of your present physical condition — or how old or young you are — the "sleeping" muscles already present in your body can turn you into a REAL man! Believe me, I know — because I was once a skinny, scrawny 97-pound half-alive weakling! People used to laugh at my build and make fun of me. I was ashamed to strip for sports or the beach... shy of girls... afraid of healthy competition.

HOW I CHANGED FROM A 97 LB. WEAKLING TO A REAL MAN.

One day, I discovered a secret that changed me from a timid, frightened scarecrow into "The World's Most Perfectly Developed Man" — a "magic formula" that can help turn you, too, into a marvellous physical specimen... a REAL man from head to toe... a man who STANDS OUT in any crowd! What's my secret? "DYNAMIC-TENSION" — the natural method! No theory. No gadgets or contraptions. You just do as I did. Simply take the "sleeping" muscles already present inside your own body — build them up — use them every day in walking, bending over, reaching, even sitting! Almost before you know it, you're covered with a brand-new suit of beautiful, rock-hard SOLID MUSCLE!

THE INSULT THAT MADE A MAN OUT OF 'MAC'

WRESTLING YEARBOOK PINUP #1

ANTONIO INOKI

The Peaceful Man's Way to Win Fights

'If You Can't Avoid Trouble, At Least Avoid Losing'

I used to turn the other cheek. Ignore insults. Walk away from a fight. Out of fear.

All too often, my enemy looked too powerful to even try to beat. He won—hands down.

These days, I walk away for a different reason. I'm no longer afraid for myself. Now, I'm afraid for the other guy.

If he doesn't watch his step or his mouth, I can put him in the hospital for a couple of months. Or worse.

Since I developed my Peaceful Man's Way, trouble-makers seem to stay clear of me. Somehow, they sense that I can take them. If I want to.

It's as though I had an invisible bodyguard at my side 24-hours-a-day. Ready to spring to my defense instantly. To finish off anyone foolish enough to start up.

Yet, I never had a boxing lesson. I exercise much too little. And I am not a "muscle-man."

I go anywhere with confidence. Not looking for a fight, mind you. But perfectly able to handle the situation if one is absolutely unavoidable.

I'm positive that the Peaceful Man's Way will do for you what it did for me. Maybe more.

So positive, in fact, that I'm willing to let you try it out for 30 days without risking a penny.

To prove that you can promptly take care of any attacker with a few unexpected fight-winning surprises.

Such as a "little-finger" trick that cuts a tough wise-acre down to size.

A move with your wrist that makes him scream in excruciating pain.

Another with your foot that delivers eye-watering misery.

A devilish hand-clasp that breaks a choking strangle-hold. Topped by a follow-up that's a knock-out.

Just because you're peaceful doesn't mean that you have to be a victim. You may still look and act like you wouldn't hurt a fly. But heaven help the pest who mistakenly thinks you are an easy mark. A meek lamb anyone can push around with no come-back.

Instead, you turn into a tiger. Someone able to stop a mugger cold. Someone who can make a bully cry like a baby. Someone who ends fights the other guy begins.

I remember the last time I was forced to use the Peaceful Man's Way. This bruiser was a foot taller and fifty pounds heavier than me. A human King Kong.

I floored him in five seconds flat. He was totally stunned. I'll never forget that dazed look in his eyes as he asked himself "how?"

My wife knows how. I taught her and my kids. Child or adult, man or woman, anyone can learn how. And should.

You watch TV. You read the newspapers. Personal crime is our number one problem. Everyday, it's another rape, another mugging, another outrage. Don't wait until it happens to you.

Be prepared to save your life or prevent needless injury. With easily mastered techniques like these:

- The very first thing to do before a fight.
- How to overcome the mental block that ties your hands.
- How to stop being polite—and retaliate.
- How to use your feet as deadly weapons.
- How to throw a heavyweight for a loop-de-loop.
- 5 ways to paralyze an aggressor.
- The secret weapon that terrifies any opponent.

Plus dozens of ingenious "tricks" requiring no more skill than shaking hands. To keep you safe and sound no matter what. Regardless of your age, size, build, or strength.

I must warn you: Simple as they are, these methods can be fatal. They must be. Otherwise, they would be valueless to you when you need them the most.

Hold them for that key emergency moment when it's either you or him. Then—*wham!*

When you're out with your family or friends, it's great to know that you are covered. If you can't avoid trouble, at least avoid losing.

I'll be glad to send you a Review Digest of the Peaceful Man's Way to look over with no obligation whatsoever. In plain language, it reveals all the benefits and applications of my material.

In addition, the Review Digest offers you a special plan to test the Peaceful Man's Way for one whole month without risking one cent.

It could turn out to be the biggest bargain of your life. Just one use at the right time and you'll be miles ahead. Unscathed, with your pride intact. And alive!

For prompt shipment, simply mail the coupon with only \$1. My unconditional money-back guarantee protects your investment. Later, my Peaceful Man's Way will protect you.

Return the coupon and I'll prove it to you. At my sole risk—not yours.

WHAT DOES BOCKWINKEL KNOW?

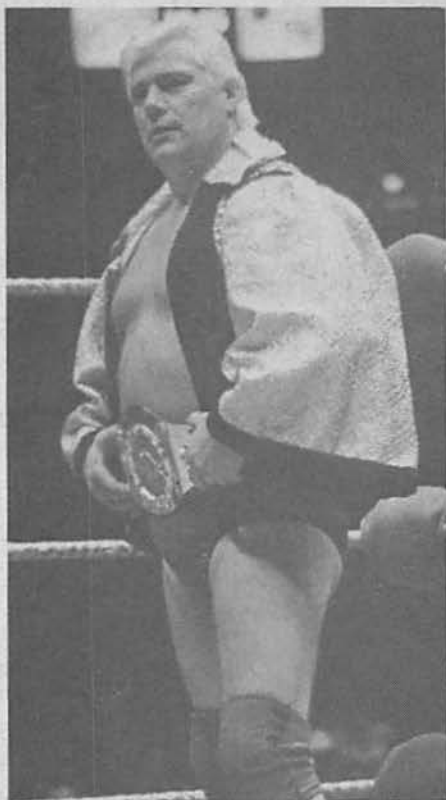

How can Nick Bockwinkel rate any wrestler? He doesn't wrestle, he cheats his legs off. In your special section, "How the Wrestlers Rate Each Other" (December/1979), Nick says matches with Dusty Rhodes bore him. If Bockwinkel had the guts to really wrestle instead of running away at the first hint of violence, maybe I'd respect his opinion.

But Bockwinkel has made a career out of running and hiding. He always complains how little competition he has in

the AWA. Well, that alliance has some of the best wrestlers who ever lived. Men like Verne Gagne and Billy Robinson are genuine superstars. If Bockwinkel had any guts, he'd wrestle them and stay in the ring.

Then Bockwinkel couldn't do any more of those special sections. After all, who would really care about an ex-champion?

PHILIP SANDERS

Pat Patterson, proudly displaying his Inter-Continental belt, will teach Lou Albano a valuable lesson, writes Ray Brunelle of Irvington, New Jersey.

MAD ABOUT PAT AND LOU

I live in the New Jersey area and I'm really mad about what's going on in the WWF involving Pat Patterson and Lou Albano. First of all, the Grand Wizard had no right selling Patterson's contract without him knowing about it.

Then Albano teamed the Samoans with Patterson in a six-man tag team match on television. Late in the match, the Samoans attacked Patterson and held him while Albano hit him with a chair. Of course, Albano wouldn't dare do that by himself.

In a recent interview, Albano was protesting about having to wrestle Patterson. Albano's really in for it this time. Jimmy Valiant couldn't do it, but Pat Patterson will.

Just part of NRI's training in servicing TV, stereo systems, video tape and disc players, car and portable radios.

Only NRI home training prepares you so thoroughly for the next great leap forward in TV and audio... digital systems. Already, top-of-the-line TV's feature digital tuning, computer programming is appearing, and new digital audio recording equipment is about to go on the market.

NRI is the only home study school to give you the actual "hands-on" training you need to handle servicing problems on

tomorrow's electronic equipment. Because only NRI includes this designed-for-learning, 25" diagonal color TV with electronic tuning, built-in digital clock, and computer programmer as part of your training. With this advanced feature, you can pre-program an entire evening's entertainment.

Designed-for-learning Concept

The color TV you build as part of NRI's Master Course looks, operates, and performs like the very finest commercial sets. But behind that pretty picture is a unique designed-for-learning chassis. As you assemble it, you perform meaningful experiments. You even introduce defects, troubleshoot and correct them as you would in actual practice. And you end up with a magnificent, big-picture TV.

Build Stereo, Test Instruments

That's just a start. You demonstrate basic principles on the unique NRI Discovery Lab®, then apply them as you assemble a fine AM/FM stereo, complete with speakers. You also learn as you build your own test instruments, including a 5" triggered sweep oscilloscope, CMOS digital frequency counter, color bar generator, and transistorized volt-ohm meter. Use them for learning, use them later for professional servicing of TV and audio equipment.

Even Includes Video Systems

You need no previous experience of any kind. Starting with the basics, exclusive "bite-size" lessons cover subjects thoroughly, clearly, and concisely. "Hands-on" experiments reinforce theory for better comprehension and retention. And your personal NRI instructor is always available for advice and help. You'll be prepared to work with stereo systems, car radios, record and tape players, transistor radios, short-wave receivers, PA systems,

musical instrument amplifiers, electronic TV games, even video tape recorders and tape or disc video playbacks.

Reader Report

(Continued from Page 10)

A FAN OF TITO AND IVAN

I am really happy that Tito Santana and Ivan Putski are the WWF tag team champions. I really feel they deserve the championship. I am very sure that the belts are in good hands.

One Saturday night, I saw the champions take on Jo Jo Andrews and the unpredictable

Reader David Rabinovitch is a big fan of WWF tag team champions Tito Santana and Ivan Putski. The combination of Santana's brains and Putski's muscles makes them a tremendous combination, he writes.

Johnny Rodz. It was a tough match but they won when Putski used his Polish hammer. That maneuver knocked Andrews out cold. The match was over and the great champs had won. Santana has the brains and Putski the muscles. Together they make a fabulous tag team.

WAHOO KNOWS NOTHING

I'm convinced Wahoo McDaniel knows nothing about wrestling. How else could he call Harley Race lucky in "The Wrestlers Rate Each Other." Wahoo can't tell the difference between luck and skill. Being lucky on your off-nights is the true measure of a champion. Race knows how to get past all types of opponents. He knows what he has to do and goes out and does it, without a lot of hot air like McDaniel does.

All McDaniel has is hot air. Has he ever considered why he's asked to rate someone, instead of the other way around? It's because McDaniel is an overrated bum.

LEO THOMAS
West Palm Beach, FL

Reader Leo Thomas criticizes Wahoo McDaniel's assessment of NWA champion Harley Race. Race, Thomas writes, is expert at knowing how to handle different style wrestlers.

JEALOUS, JEALOUS

Dick Slater is a jealous slob. I read what he said about Rick Steamboat in "The Wrestlers Rate Each Other." If Slater had half the looks or talent of Steamboat, he'd keep his big mouth shut.

But Slater is jealous of Steamboat because he knows he'll never measure up to him.

A Rick Steamboat fan, Karen Wiles writes that Dick Slater is jealous of her hero because he knows he is not as good a wrestler or as good looking.

Steamboat has the love and support of the fans, while Slater has our contempt. Slater says he'll break Steamboat's butt, but that's only words.

Fans know what Steamboat would do to Slater. That fool would be covered with his own blood and they'd have to carry him out of the ring on a stretcher.

"...OH MY GOSH! I GOT RIPPED OFF!"

At least I'll bet that's what you'll think when the mailman hands you a thin envelope containing the material I'm going to sell you for \$10.00!!

No, that's NOT a misprint. I both believe and HOPE that you'll think you've "been had" when you first lay your hands on my latest anemic-looking book (it's less than 1/4" thick, and will take only an hour or so to read).

Why? Because if you tend to judge a book by its cover — when you see this one, you'll feel cheated and say to yourself, "Whaaaaat? Ten bucks for that?!" But then, when you start reading it, see the facts, the figures — the substantiation — the proof — the unheard of guarantee — you will exclaim, "WOW! Only ten dollars for this?! Why it's worth ten times that! A hundred times that — a thousand times that — *ten thousand times that!*" (in fact, that's exactly what I GUARANTEE it to be worth; Ten thousand times your purchase price: \$100,000.00!! — more on this later).

Perhaps you know me; I am Dean F. V. Du Vall. For the past 21 years I have devised countless sound methods for ordinary people to carve out chunks of wealth for themselves from home-operated enterprises, most of which can be started and successfully operated by mail. I've written nearly 20 self-enrichment/money-making books, some of which are practically household words: "50 Roads To Riches," "The Dynamics of Yes," "Du Vall Method For Acquiring Great Mail Order Wealth," "Blueprint For Financial Success" and many others.

I am the director emeritus of the famous World-Wide Mail Order Millionaires club, and the editor of the monthly DAX MONEY-MAKER CONFIDENTIAL NEWSLETTER, one of the most respected and honored business opportunity research periodicals in the world. All of my ventures have been highly successful (thank you!) and today I head three publishing firms.

Somewhere along the way, I literally stumbled onto a veritable goldmine-type concept that I had previously overlooked. (Probably because it's so obvious and simple). Get this: Anyone, young, old, rich, poor, smart, ignorant or what-have-you, can do it. It requires very little start-up capital, and little or nothing to keep it going — indefinitely. It involves a specific product that not only is ultimately FREE to you, but you are actually PAID to get it! Yet you stock no merchandise. (No, this is NOT a drop-ship deal of any kind.) It is a REPEAT business in a very big way. Most every customer comes back for more (I've had them BEGGING for more — with cash in hand!)

What this unique business is NOT:

- ✓ No sex or off-color stuff
- ✓ No "information selling" scheme
- ✓ No chain letter junk
- ✓ No positive-thinking, occult or mystical stuff
- ✓ No problems, no hassles, no unhappy customers

What it IS:

- ✓ 100% legal and ethical — indeed, PRESTIGIOUS
- ✓ Clean, above board, respectable
- ✓ Potentially the most profitable home (or office) based business in existence
- ✓ A FACTUAL means to FAST riches
- ✓ Nothing like you've EVER seen advertised anywhere before!

This is so exciting, so fantastic, that I am bursting at the seams to tell you the essence of it right here, right now — but I'll be darned if I'll give it away!

No, it'll cost you ten smackers.

And if you buy it, and are a religious person, it wouldn't surprise me if you get down on your knees and "give thanks" after you've read it through, because this could be the absolute ultimate answer to your quest for wealth, personal fulfillment and general happiness.

Sure that sounds corny — UNTIL YOU EXPERIENCE THE SENSATION!

And now, I'll put my money where my mouth is, and that's right here:

GUARANTEE

If you do exactly as I suggest in the full explanation of this exclusive fortune-building concept (working at it part or full time - makes no difference), and if after 12 months of doing that you fail to gross \$100,000.00 (that's one hundred thousand dollars) I will issue you my personal certified check for \$1,000.00. Period.

Dean F. V. Du Vall

And if you're wondering whether I can BACK UP that guarantee, read this excerpt from a letter I just received:

Dear Mr. Du Vall: "In its continual effort to extend coverage of the top companies in the United States, DUN & BRADSTREET is again compiling the MILLION DOLLAR DIRECTORY and our records indicate that your listing should be continued in our forthcoming edition." —W. H. Mantz, Editor

There is no more I can say to the smart reader of this advertisement. He knows what to do next!

BILTON PRODUCTS River Edge, New Jersey 07661

Dean, I find it very hard to believe everything I've just read, but for ten bucks I'm certainly not going to risk missing out on THIS deal! Here is the \$10.00 Rush me, "Don't Judge THIS book by its cover (or you'll be sorree!)" by return mail postpaid.

It was simply titled "WRESTLING." And it was the first serious attempt to establish a magazine devoted entirely to professional wrestling which had a regular frequency and a world-wide distribution. Some of the back issues in this ad have not been offered for sale for more than 25 years. All of these extremely rare magazines are from the personal collection of Stanley Weston, owner of the world's largest collection of wrestling memorabilia. This is indeed a once in a lifetime opportunity for the true collector to finally own these highly treasured but until now elusive editions. Obviously, the supplies of these issues are very limited, and they will be sold on a first-come, first-served basis. It is for that reason we urge you to list substitute choices when you order. This will avoid time wasted writing back and forth should a particular issue be sold out. The prices quoted are based on the rarity of the issue and the amount of available copies. For fastest service, payment should be made by money order or certified check. While cash will be accepted, we cannot assume responsibility when it is sent through the mails. All sales are final and no exchanges will be made.

WRESTLING TOURNAMENT TIME!

**Computer
Is The
Who**

**Dominate
In The '80s!**

MAYBE ONLY A computer can sort out the tumultuous '70s. With numerous title changes and

endless feuds, it'd be difficult to say, from an objective viewpoint, who was really the dominant wrestler of the decade.

Any predictions by our staff would be open to severe criticism. So we decided to use someone whose hide was a bit tougher than ours: the computer.

We had the computer programmed to consider all the various facets of a wrestler's game. We managed to program temper tantrums and degrees of courage. Even the referees were incorporated into the final structure.

All we demanded was that the wrestler have started his career

in the '70s and that he not be a current federation champion. The list is staggering, presenting the computer with a formidable challenge. Men like Andre the Giant, Greg Valentine, Ken Patera, and Hulk Hogan were among the participants.

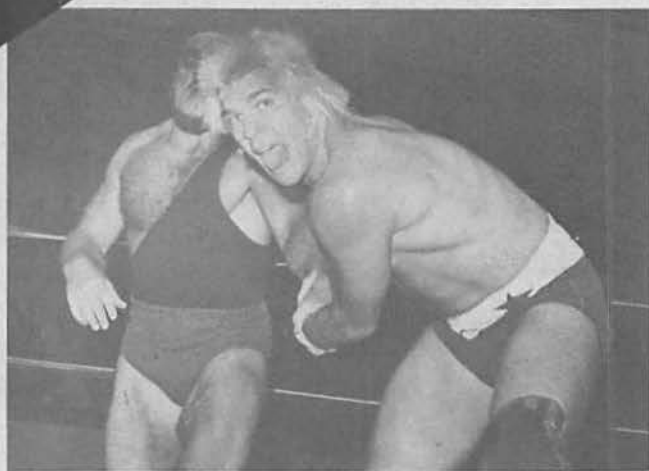

Despite the inhuman quality of the computer, the results

were unnervingly human. Blood, guts, and cowardice dominated. Wrestlers responded exactly as they would have.

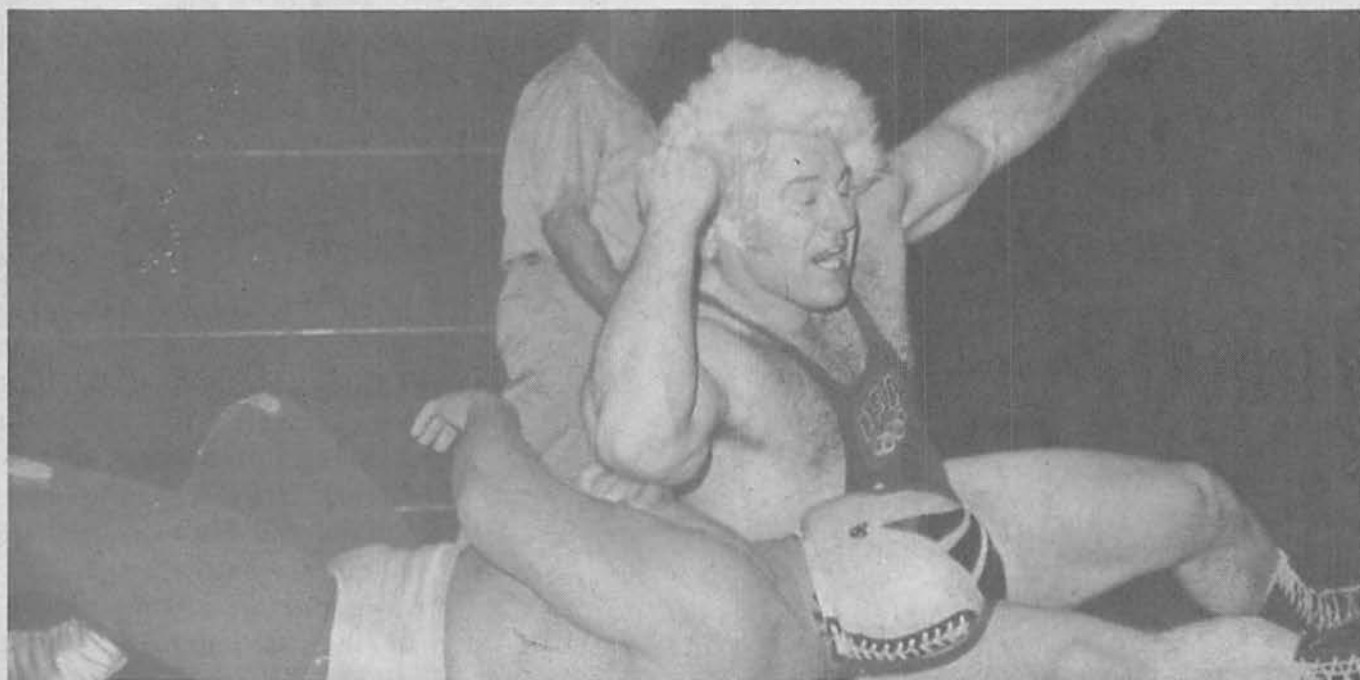

All that was missing was the roar of the crowd. Now we have the chance to integrate that final ingredient as we present this special computer tournament to you. □

**First Round
Matches**

KEN PATERA VS. TOMMY RICH

For such a young wrestler, Tommy Rich (above left) has wrestled some of the sport's roughest veterans. Ken Patera (above right and below) uses roughhouse tactics and brute strength to accomplish his goals.

A COMPUTER CANNOT look into a man's heart, assuming Ken Patera has one. But a bit of speculation is necessary to explain what he did to Tommy Rich.

Patera's considerable athletic accomplishments have been well-documented. His decision to devote himself to

breaking rules instead of setting examples saddens all fans. Along comes Tommy Rich.

Rich is young, handsome, and talented. Fans, especially the females, swoon at the sight of the rugged Georgia champion. Popular and successful. Everything Ken

Patera never was. And perhaps secretly wanted to be.

That Patera would look at Rich as a mocking mirror image isn't surprising. Nor is Patera's sickening assault in this match surprising. It is logical. That's what the computer calculated. Many

HULK HOGAN VS. TED DiBIASE

ARROGANCE IS A difficult attribute for a computer to handle. Yet Hulk Hogan's arrogance is such an integral part of his personality that we had to manage it. Thus Hogan was as sneering and disdainful as ever. And as good.

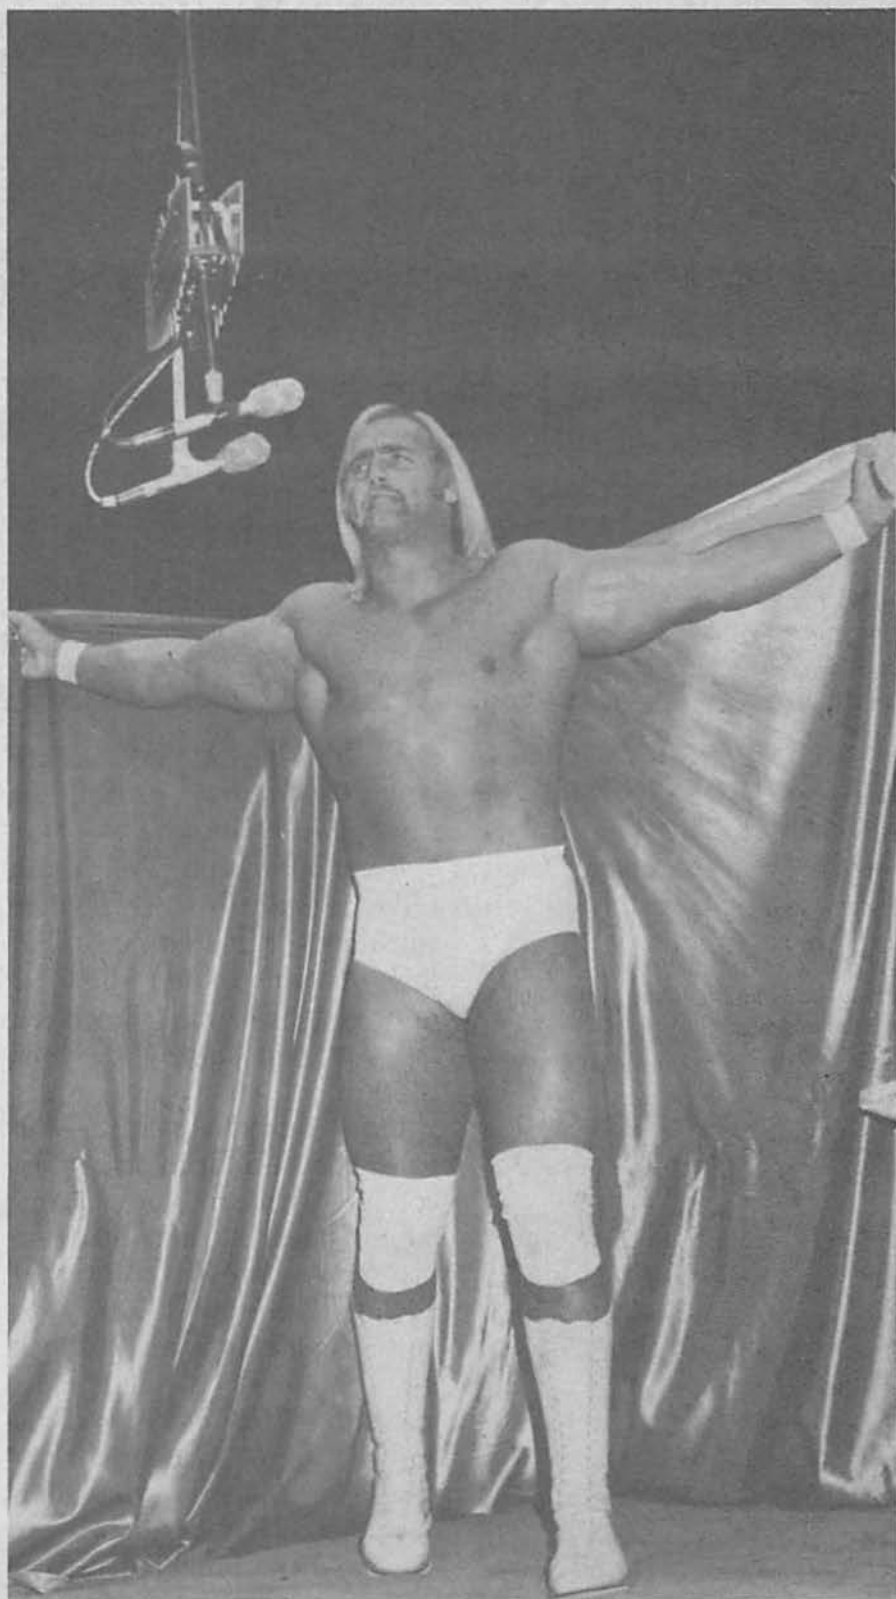

DiBiase isn't exactly a saint himself. And he's often remarked on the obnoxious vanity of men like Hogan. So there was a lot to prove here, more than merely winning a match. Whether you can place your looks in a proper perspective, or allow vanity to become a living thing.

Hogan leaped at DiBiase and they grappled in the center of the ring. Their balance was remarkable, especially Hogan's. The blond is huge and surprised observers with his feline agility.

DiBiase had to avoid Hogan's superior strength and rely on his own astonishing speed. Each time Hogan moved for DiBiase, he avoided the grasp. But DiBiase couldn't do this forever. He had to strike back. He waited for the right moment.

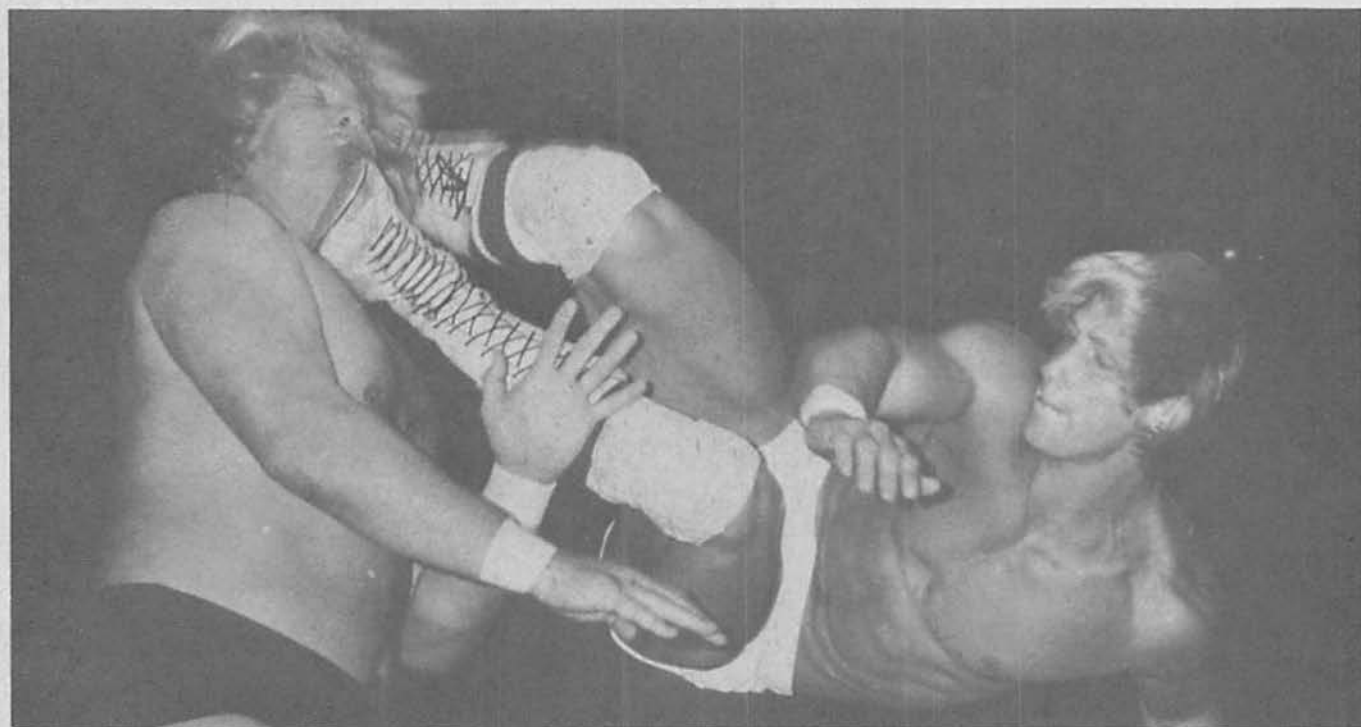

Hogan postured and swelled his huge chest. This was DiBiase's opportunity. With both hands spread, DiBiase grabbed Hogan around the waist and flung

RIC FLAIR VS. KEVIN VON ERICH

RIC FLAIR'S AGGRESSIVENESS would be tested by Kevin Von Erich's youthful determination. There was no way that Flair

Two of the fans' favorites, Kevin Von Erich (top) and Ric Flair (below) display opposite styles.

could out-muscle Von Erich. And Kevin has proven he can brawl if he must.

Both Flair and Von Erich have enormous scientific wrestling capabilities. That this match should dissolve into a brawl was surprising, but not shocking. Well, this is how it went.

Flair quickly snared Von Erich in an armlock. The young Missouri state champion extricated himself from that move and they continued circling each other like wary lions. Suddenly Flair grabbed for Von Erich's hair, just missing. That nasty tactic angered Von Erich. Right now, Kevin had to maintain his poise. That he didn't lose his temper bothered Flair. Obviously, Ric was counting on Von Erich blowing his

cool and unraveling his own strategy.

Again, Flair grabbed, this time twisting Von Erich's

Kevin is an aerial specialist but had to call on his ability to brawl against the rugged Flair.

DAVID VON ERICH VS. CHAVO GUERRERO

C LAWED INTO UNCONSCIOUSNESS! A gruesome conclusion to a startling bout between two scientific wrestlers.

Both Chavo Guerrero and David Von Erich have made their mark by cheating and implementing brilliant moves. In their careers, both have had to overcome the brutal trachery of rulebreakers intent on re-arranging their faces. They wanted to show that a bout can be held with dignity and courtesy.

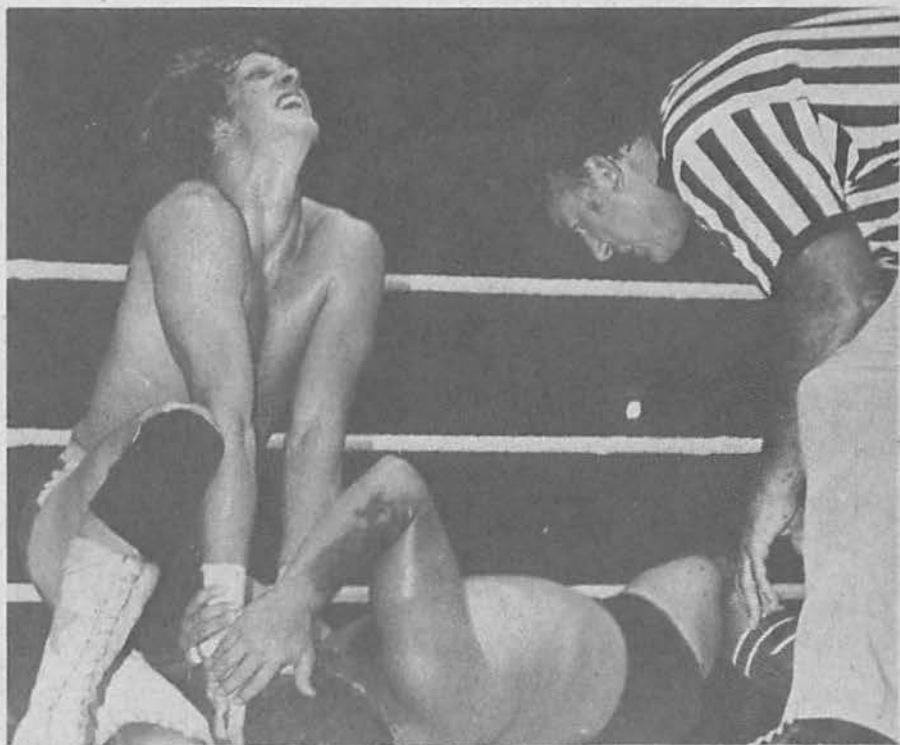

They were wrong.

It started out cleanly. Guerrero parried and got Von Erich into a painful wristlock. David struggled and managed to free himself. Guerrero was irritated at this loss, so he tried again, this time applying a tough elbow lock.

Slowly, Guerrero twisted downward until it seemed Von Erich's arm would snap. With desperate swiftness, Von Erich spun around and

(Continued on page 49)

David Von Erich (above and left) did not want to resort to the clawhold to finish off another scientific wrestler. But Chavo Guerrero (below) matched him hold for hold, and David knew that he needed the claw to advance in the tournament.

GREG VALENTINE VS. ANDRE THE GIANT

Andre matched his size, strength, and wrestling ability against the rulebreaking tactics of Greg Valentine. One of Andre's favorite tactics is working on his opponents' limbs (above and below). Valentine (right) prefers to illegally use his fists (right).

GREG VALENTINE HAS boasted he is unbeatable. But Andre the Giant's record proves his invincibility. So this was the meeting of a big mouth against a big man. Valentine was not above using dirty tricks to achieve his goals. What he didn't reckon on was enraging Andre. The Giant is not a man to be angered.

Valentine snarled obscenities to Andre, who shrugged them off. Always a gentleman, Andre wouldn't stoop to the level of name-calling.

All he cared about was wrestling. But Valentine's brand of wrestling is warped and sadistic. He grabbed at Andre's hair, trying to yank him down to his level. The Giant evaded that maneuver and nearly caught Greg in a vicious bearhug. But Valentine also escaped.

(Continued on page 50)

JOHN STUDD VS. MIKE GRAHAM

JOHAN STUDD HAS a chip on his big shoulder. He hates everyone. He thinks everyone is against him. And he wrestles to the absolute limit.

Pitted against someone like Blackjack Mulligan, Studd is comfortable within the hurricane of violence. He is contemptuous of anyone who doesn't brawl and use foreign objects. Studd can't get up for such matches.

But that's the only way Mike Graham knows how to wrestle. He doesn't cheat or knee his foes in the groin. He is the consummate scientific wrestler. Indeed, Graham is a gentleman.

Still, don't get Graham angry. If he sees a foe is taking advantage of him, he'll go berserk. He won't do dirty tricks, but he will unleash some heavy violence.

Against that background, the result of the first round match between Studd and Graham becomes easier to understand. Studd entered the ring, disdainful of Graham. Mike tries to conduct a clean match, but Studd would have no part of it. All the big man cared about was blood-letting. He thought Graham, a scientific wrestler, would be an easy prey. Studd slipped a foreign object from his trunks and tried to rip apart Graham's skull. Yet Graham slipped away and knocked Studd off his feet. The foreign object

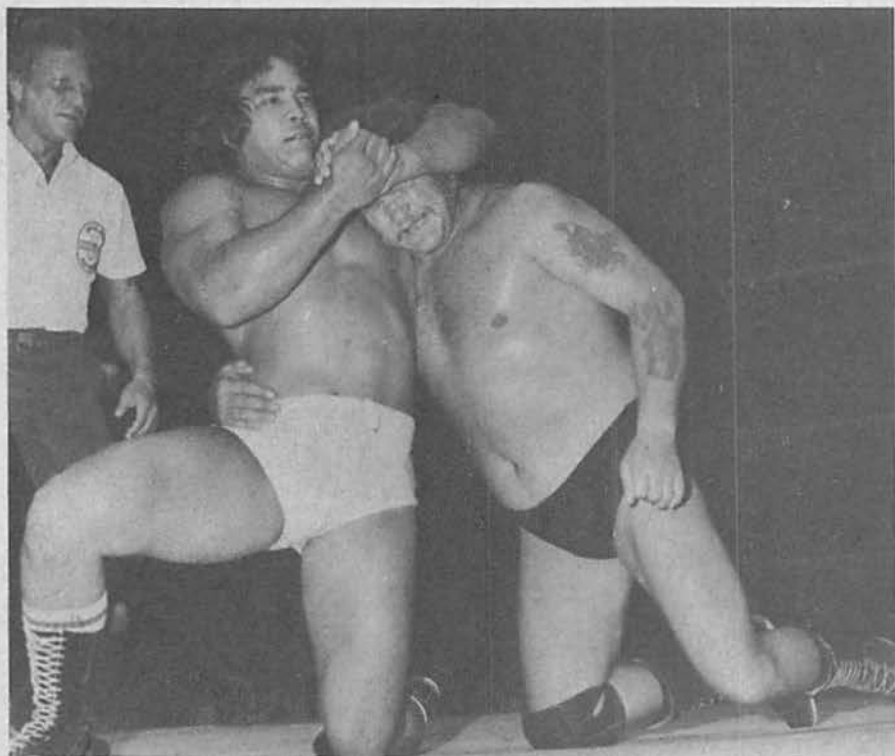

(Continued on page 51)

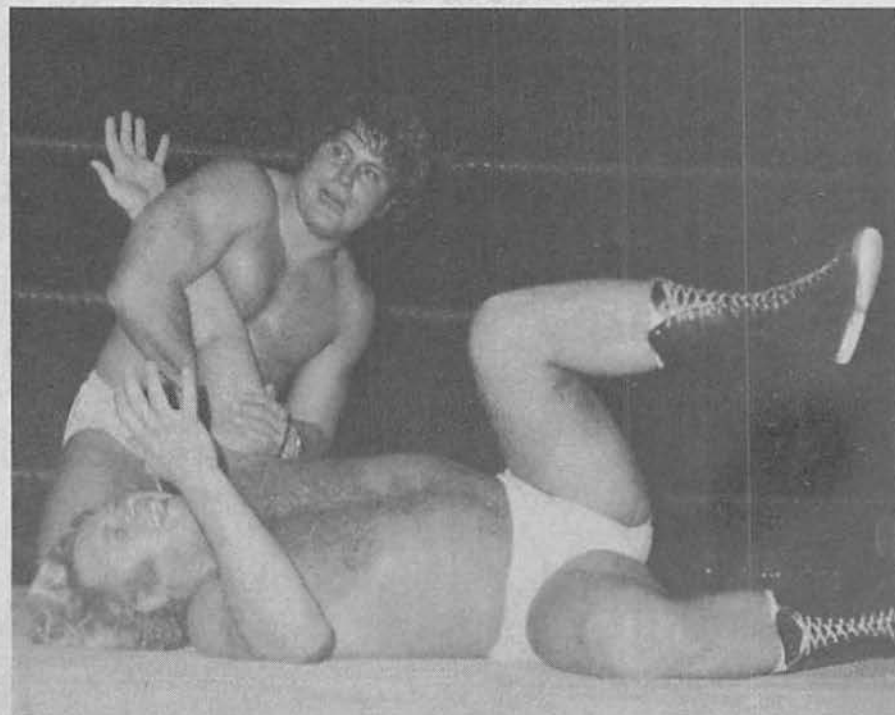

Mike Graham (above left and below) is one of the true gentlemen of wrestling. He became enraged, however, when John Studd (above right) brought a foreign object into the ring. Graham managed to work the weapon away from Studd and won the match with his figure-four leglock.

RICK STEAMBOAT VS. JIM BRUNZELL

Above: Rick Steamboat has wrestled for the NWA title on many occasions. He combines strength and speed as well as any active grappler. Below: Jim Brunzell was a top contender in the AWA. His style is strictly scientific. Right: Steamboat adds another dimension to scientific wrestling with his karate thrusts. He is master of the martial arts.

RICK STEAMBOAT'S TEMPER can either destroy him or help him. Every wrestler needs that fiery motivation, the catalyst to fling him beyond reasoned restraint and into inspired grappling.

For a while, Steamboat's temper controlled his career. He piled up a record number of disqualifications, some of them occurring with the match already won. That is stupid.

Steamboat had to learn to harness his temper. Maybe he's finally discovered the

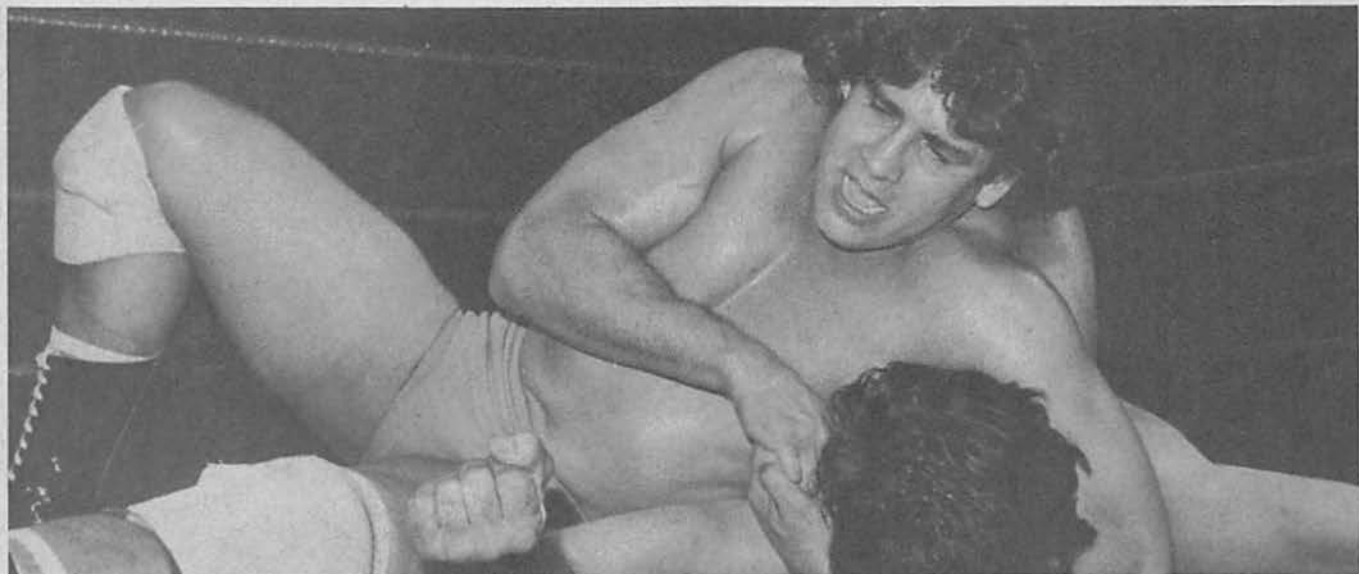

secret. Certainly his match against Jim Brunzell was an invaluable aid in seeing how disciplined rage can win a match.

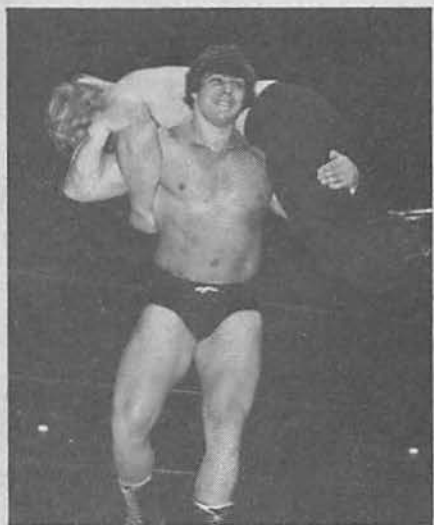

In a Brunzell-Steamboat bout, good tough maneuvers are the rule. Yet both men teeter on the edge of anger and constrained brawling. This time, they teetered

(Continued on page 52)

TITO SANTANA VS. DINO BRAVO

Above: Tito Santana has impressed the experts although he is still inexperienced. His best offensive weapon is speed. Below: Dino Bravo uses his awesome airplane spin to win another match.

A KEY INGREDIENT, perhaps the ultimate reason, for Dino Bravo's opening round triumph over Tito Santana, was experience.

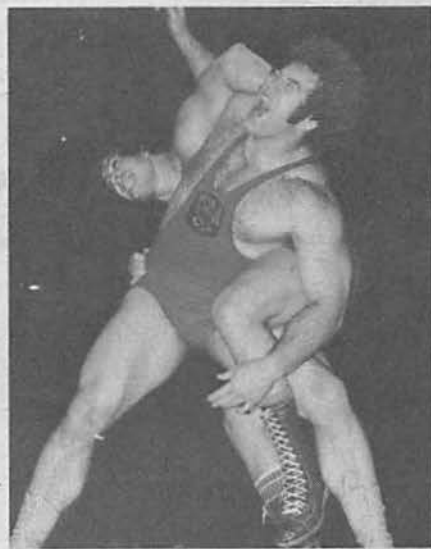

Santana has the skill and dedication to be a champion. But little things, knowing when to lean a certain way,

when to move, when *not* to move, come only with dozens of matches. Santana's inexperience showed against Bravo. Plus one other important factor.

For several months, Santana has concentrated on teaming with Ivan Putski. Obviously, that effort has been successful, for they captured the WWF tag team championship. Still, wrestling in a team and individually are two different experiences. Perhaps Santana was a bit rusty. Perhaps he neglected to focus solely on his foe and waited for his partner to aid him.

Back to the match. Bravo feinted and Santana wisely ignored the deception. Bravo stepped back, reappraising his foe. Another feint and Santana fell for it. An experienced wrestler would have waited until the third

time. Stats show that's the most preferred attack number.

Santana stumbled. Immediately, his gaze turned sideways. Toward his corner. Where partner Putski usually was watching. Bravo seized the momentary indecision

**Quarter
Finals**

ANDRE THE GIANT V

BOTH THEIR FIRST round matches were more brutal than either had intended. Andre knew of Greg Valentine's sadistic reputation, yet hoped their match might pit skill against skill.

But Valentine has not been targeted for extinction by scientific wrestlers because of an

occasional nasty remark. He made his reputation by flaunting the laws and torturing foes. He selected the wrong man in Andre. A Valentine elbow smash missed the Giant, not easy to do, and left the master of the figure-four leglock helpless before Andre's finishing maneuver.

Von Erich became embroiled in a brawl with Chavo Guerrero, a shocker since both are exponents of clean wrestling. Nevertheless, Von Erich managed to triumph by applying the clawhold, a move he rarely uses on any but the worst of rulebreakers.

Von Erich was presented with

S. DAVID VON ERICH

an obvious disadvantage: size. Under no circumstances could he venture too close to Andre. In-fighting with the Giant would be suicidal. Thus Von Erich had to devise a strategy enabling him to launch long-range attacks. The most obvious method would be a flying dropkick.

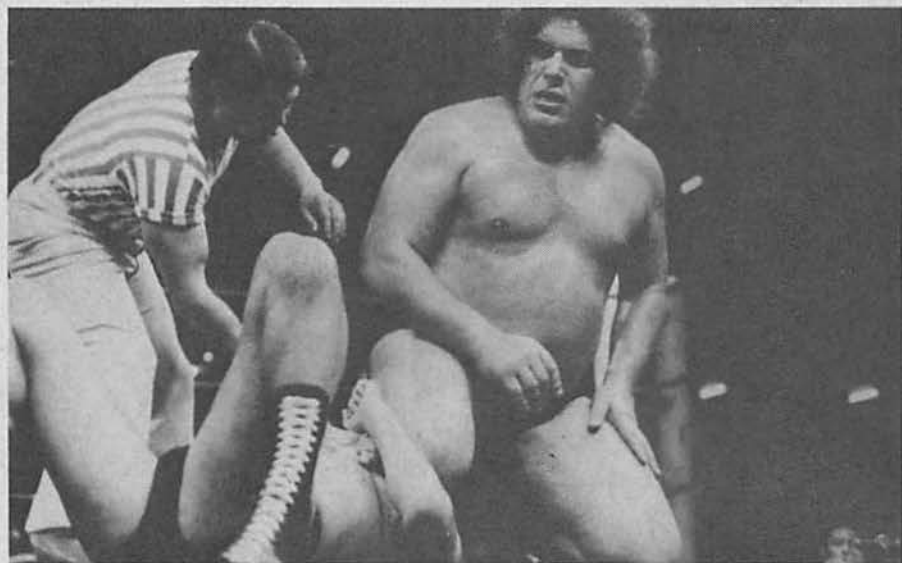

As for Andre, he was faced with a challenging confrontation. Here was a small and faster foe, a youngster with enthusiastic determination. Snaring David would be difficult. Andre had to cut off the ring and deny Von Erich room to maneuver. Andre refrained from any quick lunges. Instead, he stalked Von Erich, carefully and slowly. David is a bright young man. He knew what Andre would do, just as the Giant knew what Von Erich would have to do for victory.

Andre reduced Von Erich's space in the corner to a small triangle. Then he stopped. Von Erich faked a hand jab and spun to his left, away from the fake and Andre's tilting frame. This gave Von Erich some maneuverability. He unfurled a brilliant flying dropkick, his feet landing solidly against Andre's stomach. Little damage was done. Though the Giant was winded, that dropkick didn't have the devastating effect it would normally have.

But Von Erich was prepared for that. Stamina would be his biggest enemy. If he could continue to land dropkick after

dropkick, eventually Andre would be worn down. If Von Erich didn't drop from exhaustion first.

Andre moved toward Von Erich, but he shifted into the center of the ring, again giving himself room. Again he smashed a dropkick into Andre. Again Andre was merely

winded. Or was he?

Von Erich staggered backwards from the impact. He tottered into the corner, then saw his near-fatal error. Andre had cut down the ring. Von Erich could be an easy prey.

The youngster tried a desperate maneuver. He

RIC FLAIR v

THE FIGURE-FOUR LEG-LOCK. A maneuver at once brilliant and deadly. In the legs of sadists, it can permanently ruin a career. In the legs of talented wrestlers, it can be a devastating finishing move.

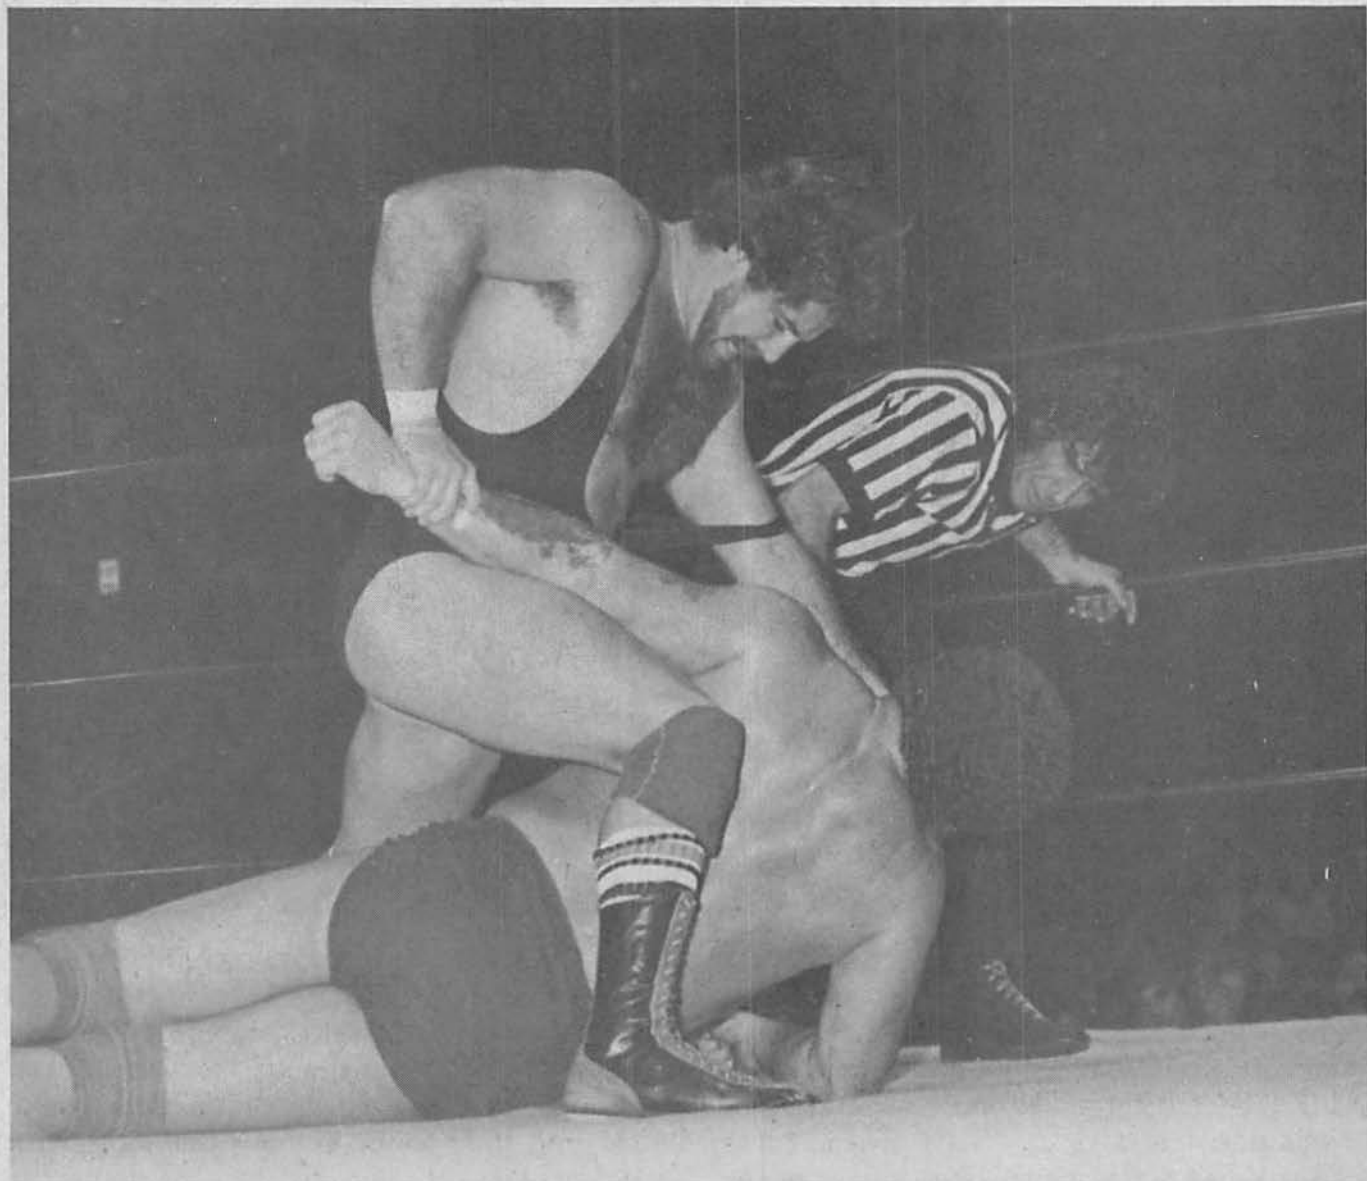

This quarter-final bout placed Ric Flair against Mike

Graham. In his first round match, Graham had successfully used the figure-four to stop John Studd. And Flair had to overcome tenacious Kevin Von Erich to advance into the next round.

The perfect moment to apply a figure-four leglock is when

your foe is lying on the ground. All that remains is to *get* him down on the canvas, then hurl yourself atop and implement the maneuver. Easier said than done.

Flair had to use his aggressiveness. Graham had to use his agility. Force is Flair's

way of knocking his foe to the canvas. Graham upsets his opponent's balance and topples him off his feet.

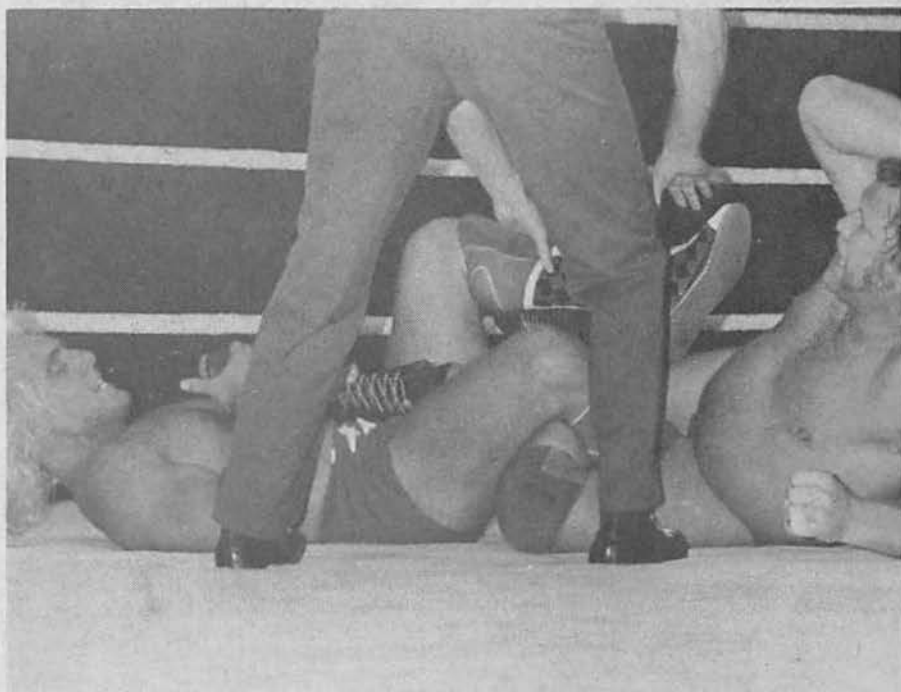

Flair wasted no time. At the beginning, Flair smashed Graham across the throat with a forearm. Graham reeled backwards. Flair grabbed Graham's right arm and flung him across the ring. Graham landed on his back, legs raised toward Flair. This seemed like a quick bout.

Just as Flair clutched Graham's leg, he rolled away. Flair was stunned and grabbed wildly at Graham. But he wasn't there. Graham got *behind* Flair and applied a headlock. Flair struggled, blood reddening his cheeks, his breath short and effortful. Slowly, his left hand reached behind and up. Two quivering fingers jabbed Graham in the Adam's apple. He fell back, gasping.

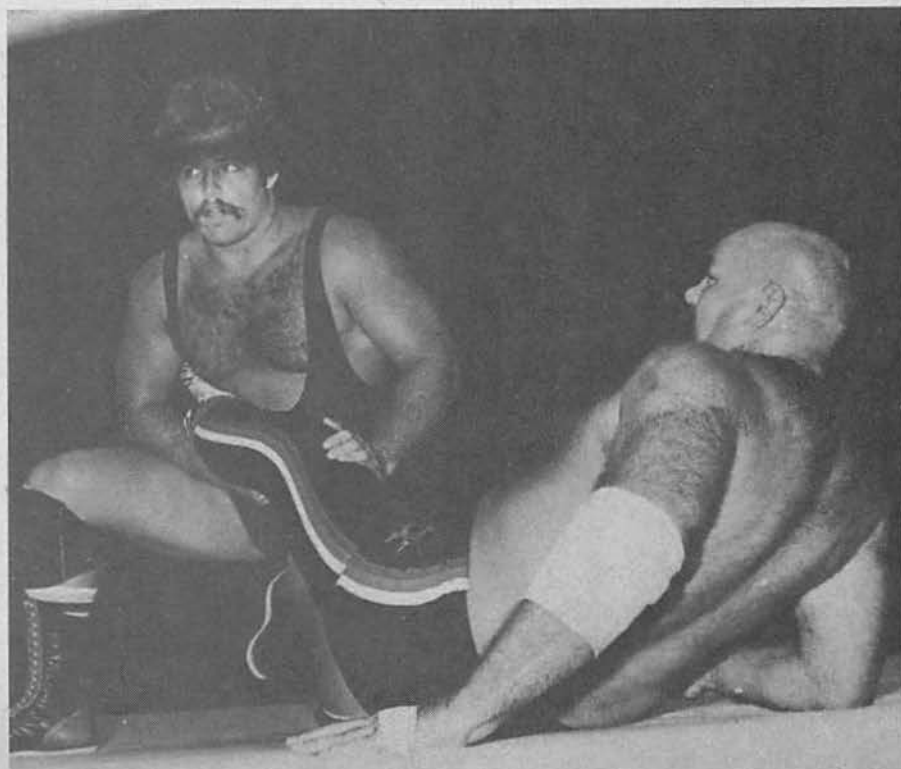

Flair climbed atop the supine figure and pounded his skull against the canvas. Things were getting tough. Graham bent his knees and thrust upward into Flair's stomach, knocking him off and onto the canvas.

Both scampered to their feet and warily circled, looking for an opening. Graham thought he saw one and butted Flair into the ropes, nearly sending him out of the ring. But Flair rebounded and responded, landing a butt into Graham's chest.

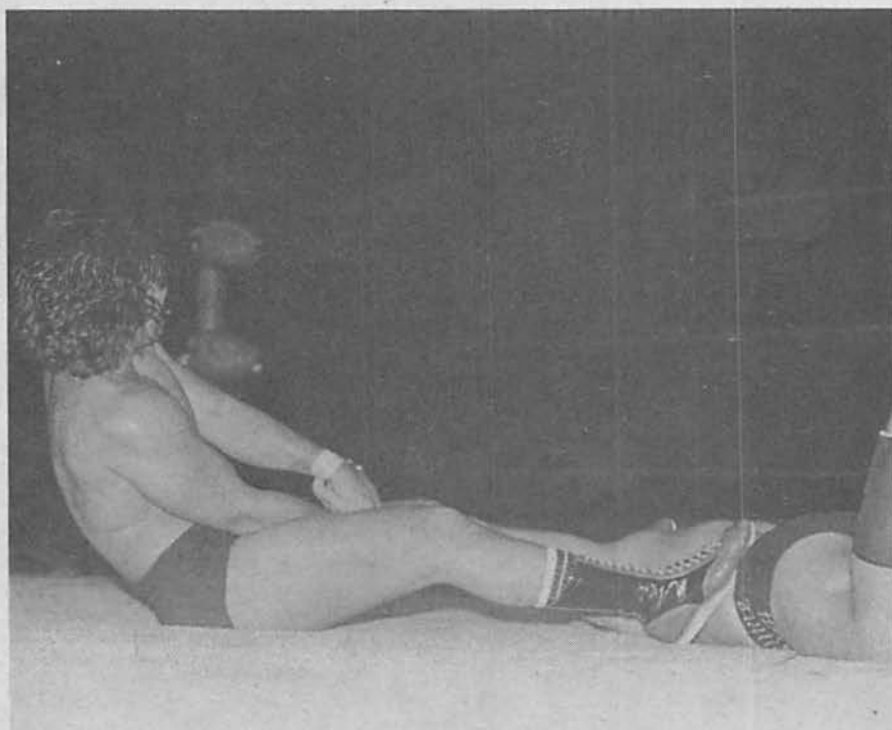

Figures fell and grappled on
(Continued on page 57)

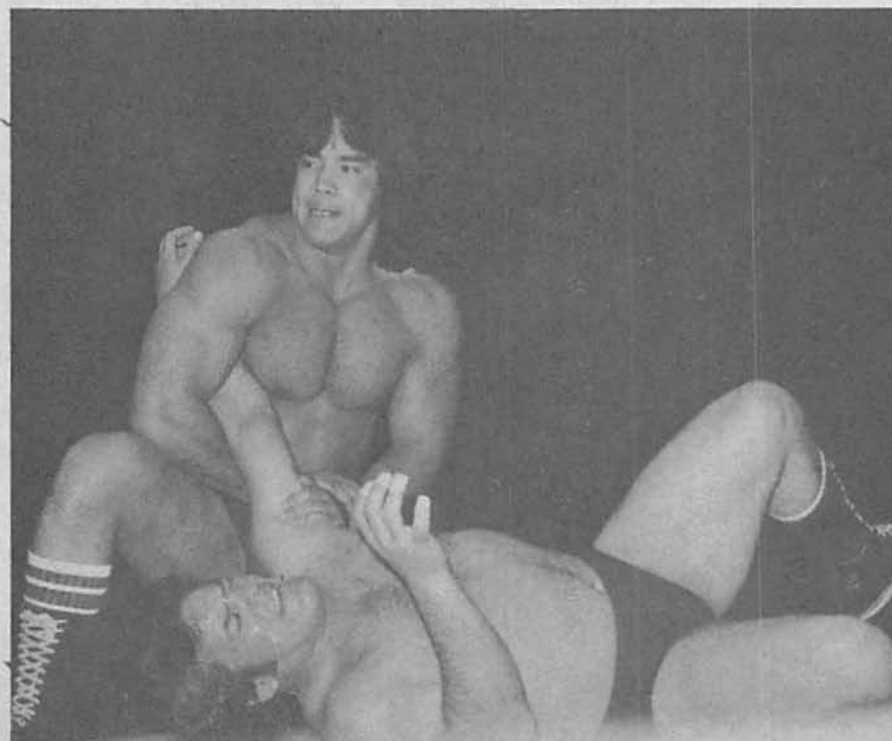

Above: Flair's expert use of the figure-four leglock has almost made him NWA champion. The hold is one of the most torturing in wrestling. Below: Graham shows knowledge of scientific holds. His use of leverage is almost textbook perfect.

KEN PATERA V

Rick Steamboat (above and below) prefers to wrestle scientifically, but he can be driven to be as rough as any wrestler in the business, as Ken Patera found out. Steamboat seized Patera's foreign object, and put it to good use. Unfortunately, the referee caught Rick with the weapon and disqualified him.

KEN PATERA'S PATH to the quarter-finals dripped with blood. He and Tommy Rich had fought a savage battle with Rich finally succumbing to his own bloody wounds.

Rick Steamboat's bout with Jim Brunzell was not as savage, but just as tough. After initial cleanliness, that match deteriorated into a frenzied battle with Steamboat barely getting past the Mid-Atlantic champion.

In this quarter-final bout, Patera attacked Steamboat before the bell and smashed him with punches to the face. Patera grabbed Steamboat under his arms and threw him over the top rope and went after him, smacking Steamboat with a chair.

Steamboat absorbed the blows and scampered into the ring, where he taunted Patera to re-enter and fight fairly. But Patera's treachery could not be contained. He jumped in and started choking Steamboat. That lasted about a minute.

Steamboat's temper exploded. First, he broke the choke with a vicious eye gouge. Then Steamboat repeatedly hit Ken in the face, drawing a trickle of blood from his lips.

But Steamboat wasn't finished exacting revenge for Ken's despicable behavior. Grabbing Patera under the arms, Steamboat flipped him over the top rope and dove after him. But the referee stopped Steamboat and ordered both

S. RICK STEAMBOAT

men to return to the ring.

Patera gestured as if he were willing to obey the ref's instructions. That calmed Steamboat down a bit. But also relaxed Steamboat's defenses. Patera climbed back through the ropes and swiftly kicked Rick in the groin.

Steamboat sagged and Patera gouged his eye. Steamboat screamed. Patera seized Steamboat's limp arm and worked it over with an armbar. That caused more pain. Steamboat simply yanked himself free, hurtling into the far corner. Patera chased him.

As Ken prepared to charge full steam into Steamboat, the scientific wrestler sidestepped the charge and allowed Patera to slam his head into the post. Then Steamboat delivered a dropkick to Patera's head.

Ken staggered away, reached into his trunks, and emerged with a foreign object. Steamboat pointed toward the illegal substance, but the referee didn't see it. Furious, Steamboat grabbed at Patera, but missed.

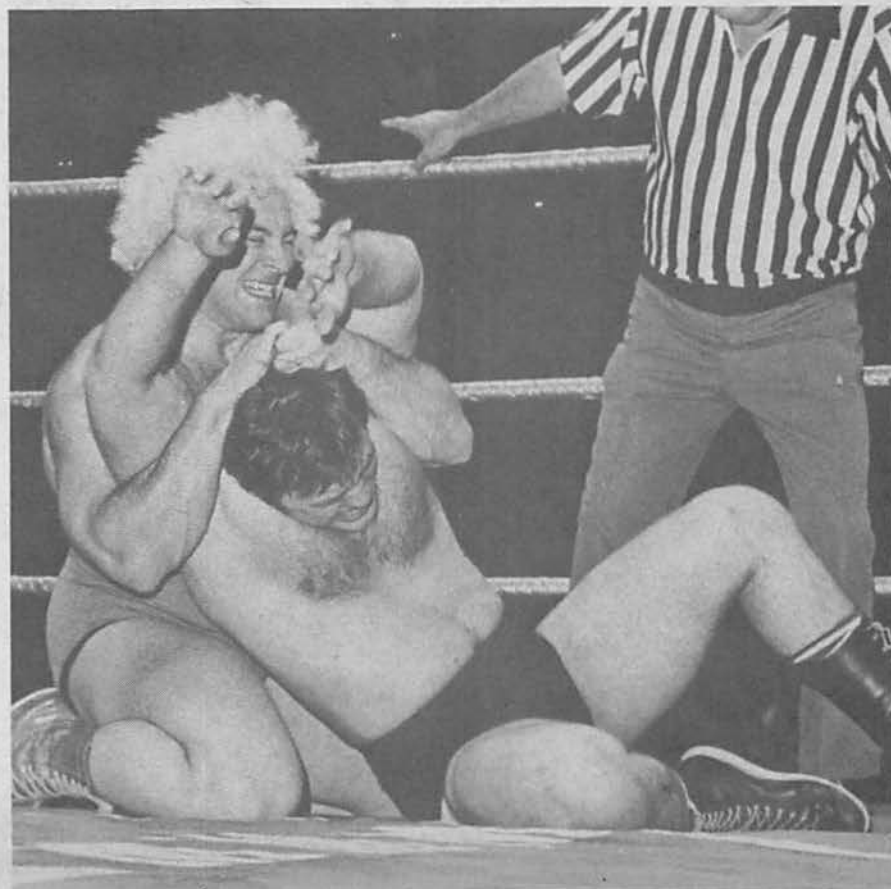

Rick fell to the canvas, clutching his ankle. Apparently he twisted the ankle, yet Steamboat would never ask for the bout to end. He wanted Patera badly! Patera sneaked atop the ropes and tried a flying body press. He missed and almost knocked himself out.

Steamboat rushed for the pin, but Patera thrust his fingers into

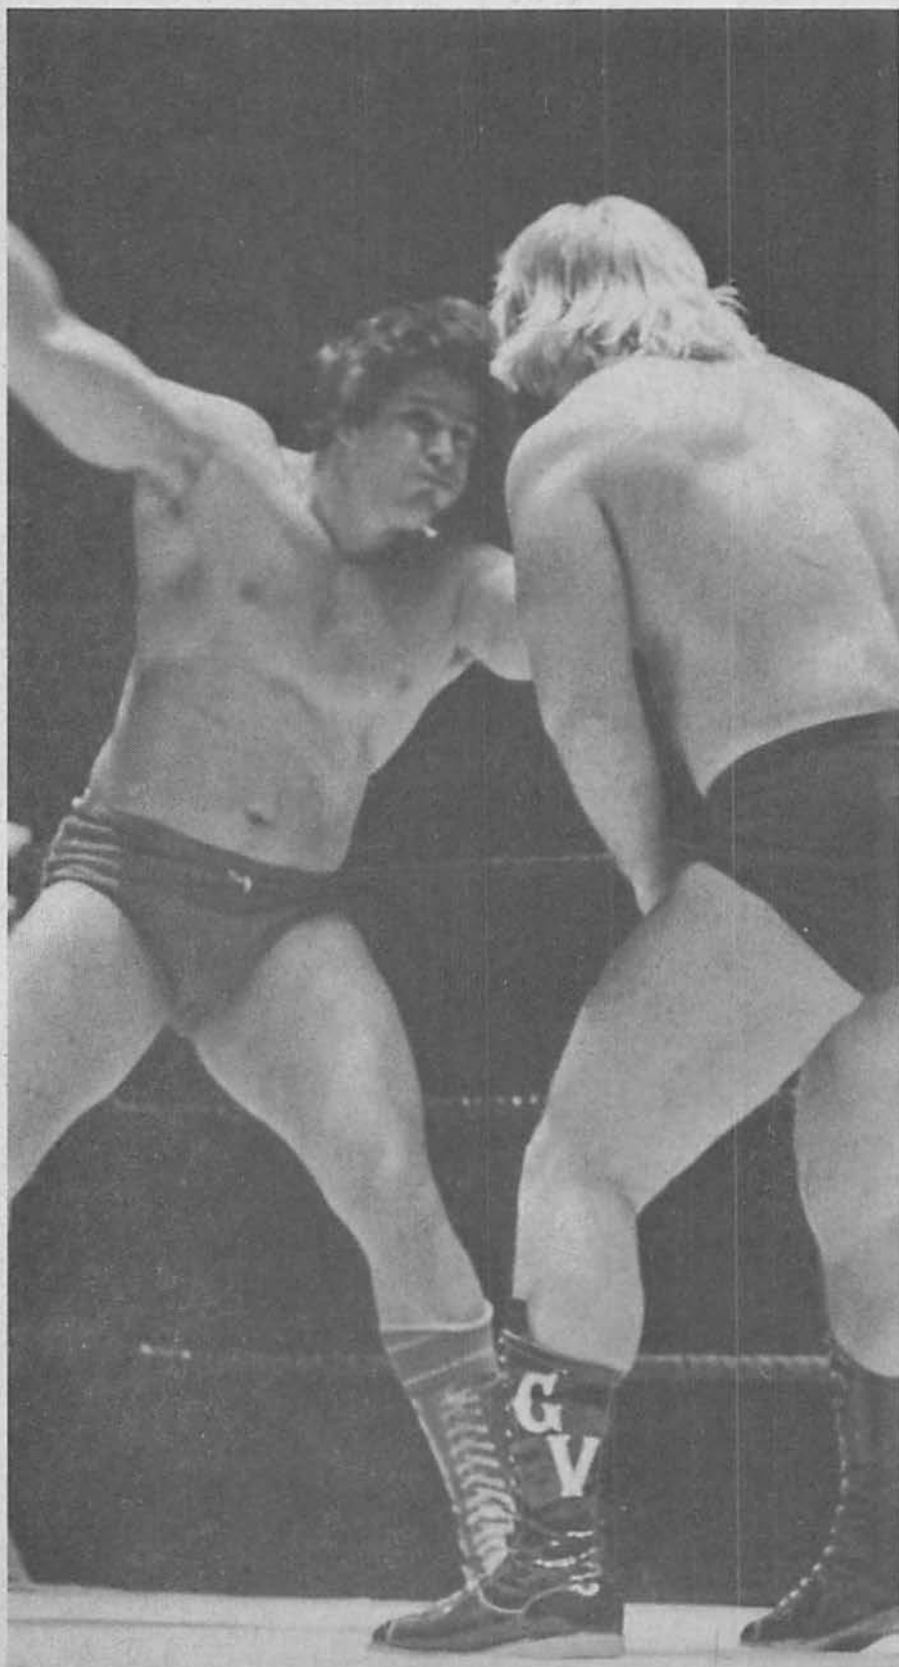

(Continued on page 58)

Rick Steamboat (above left) had to contend with one of the strongest men in the world in Ken Patera. Patera (above right and below) shows off the strength that has propelled him to the top of his sport.

HULK HOGAN V

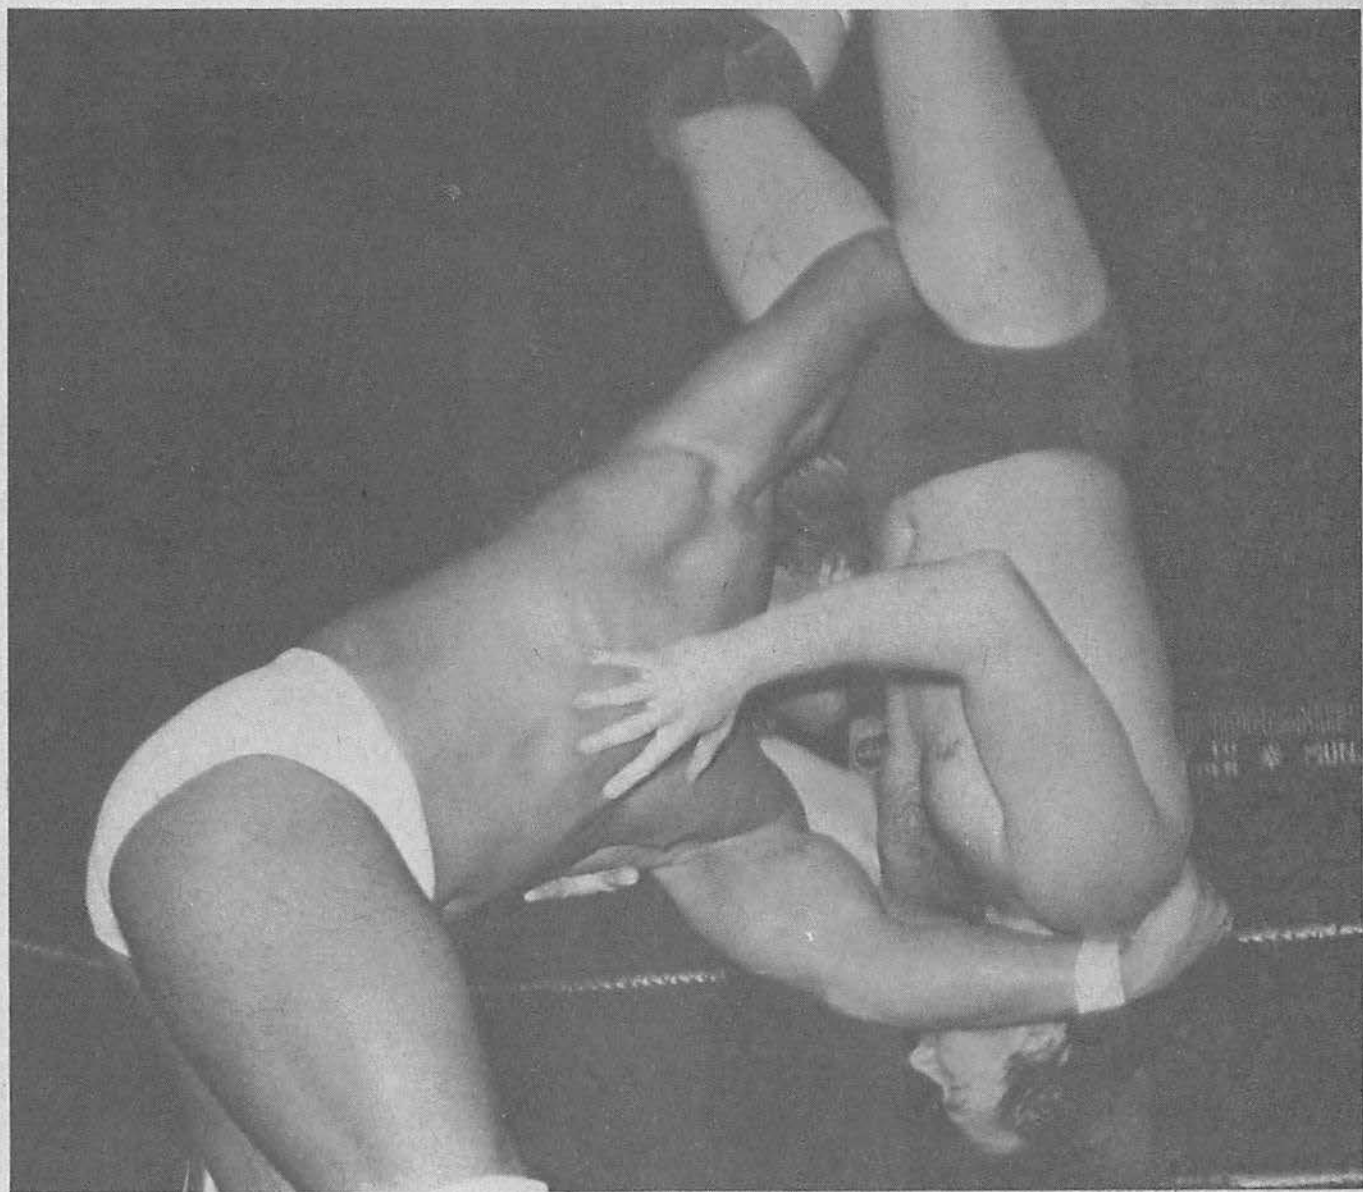

The speedy Dino Bravo (left and above) made the mistake of thinking he could overcome Hulk Hogan's strength with his experience.

DINO BRAVO MADE a big mistake when he wrestled Hulk Hogan in the semifinal round. Since he capitalized on Tito Santana's inexperience to win in the opening round, he felt he could get by an even more inexperienced Hulk Hogan with the same ease. Bravo's years in the sport should have told him otherwise.

Hulk Hogan cannot be judged by standards set by other wrestlers. His incredible strength overrides his inexperience. With a simple expansion of his 63-inch chest, Hogan breaks any previous mold.

Bravo set the early pace by armdragging Hogan to the mat twice in succession. He attempted the maneuver a third time, but Hogan tensed his right

arm, planted his feet firmly on the canvas, and Bravo went rolling to the mat alone.

Hogan seized the opportunity to deliver a devastating elbow smash and then took the time to strut around the ring. He was not smart enough to realize that Bravo was not seriously hurt by

the elbow smash. With Hogan's back still turned away from the center of the ring, Bravo rose to his feet and delivered a perfect dropkick to Hulk's back. Hogan stumbled face-first into the ropes, and as he bounded backward, Dino caught him in an abdominal stretch.

Hogan felt the pain of the maneuver for a few seconds before he used his tremendous strength to lift Bravo into the air and fling him through the air. As Dino lay prostrate on the mat, Hogan again circled the ring, this time flexing his

RIC FLAIR VS

THE COMPUTER TAKES into account any recognizable emotions a wrestler might have before or during a match. And when two wrestlers meet who happen to be the best of friends, emotion plays a major role.

The Andre the Giant vs. Ric Flair semifinal match had an unusual beginning. Neither wrestler displayed the type of aggressiveness needed to

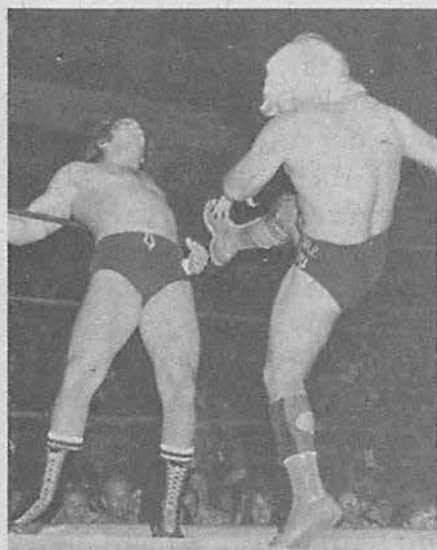

advance to the finals. Even scientific wrestling was ineffective because Flair could not take the Giant off his feet. The first five minutes the match consisted solely of a series of clinches.

The first showing of real action occurred when the wrestlers engaged in a battle of strength. The obvious favorite in such a confrontation would be the Giant. Using all his

leverage, Andre's grip lowered Flair to his knees. Ric found some extra strength, however, and surprised the Giant by regaining his ground and rising to his feet. With another thrust of his awesome strength, though, Andre again brought Flair to his knees.

Ric was not about to give in. He is a man driven by pride and what many would call a "macho" self-image. Flair again

rose to his feet, but this time lashed out with a knee to the pit of Andre's stomach. The Giant was angered by the apparent sneak maneuver.

The match remained clean, but the level of intensity increased substantially. Andre whipped Flair into the ropes and gave him a tremendous backdrop on the rebound. Andre then grabbed Ric and bodyslammed him. Flair got up

clutching his back. Unwisely, the Giant approached Flair with his guard down. Flair rammed his shoulder into Andre's chest, knocking the Giant reeling backward. Ric then grabbed Andre's legs, finally bringing him to the mat.

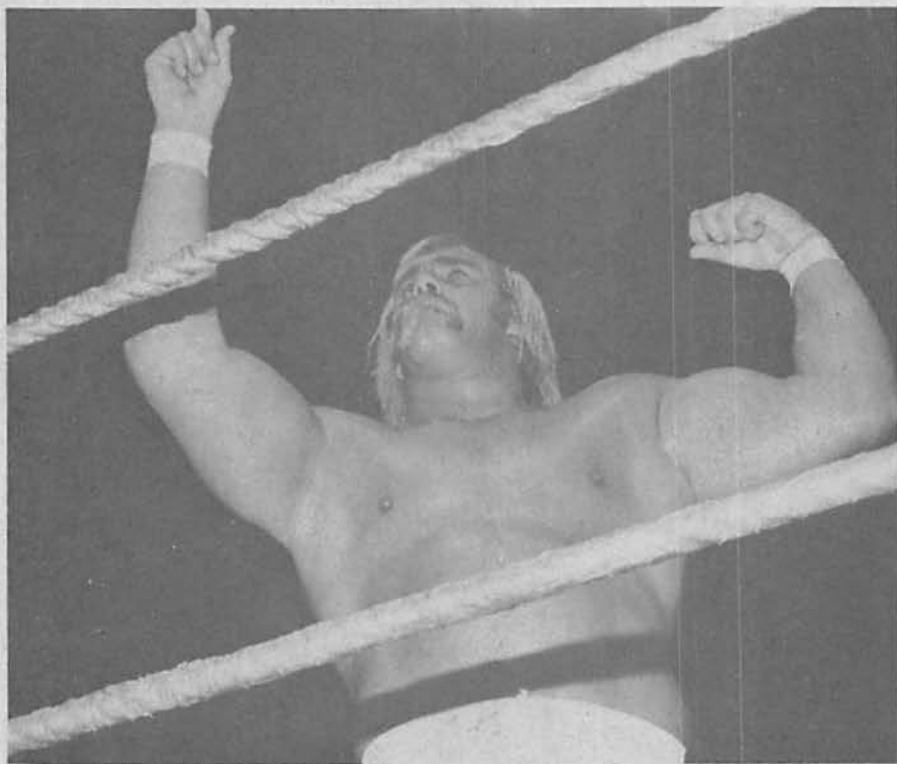

Flair seized what he thought could be his only opportunity to use his figure-four leglock. It was too soon, though. Andre

KEN PATERA

V

Hulk Hogan shows off his muscles to the crowd (above). Ken Patera applies a powerful headlock (below).

HOGAN MADE IT to the semifinals by elbow-smashing Dino Bravo into submission. Patera cheated his way past Rick Steamboat in an extremely controversial bout.

Hogan showed he has some brains along with his brawn, or Fred Blassie, his manager, is dispensing sound advice. Hogan got into the ring first so Patera couldn't sneak attack him. Hogan flexed his muscle, Patera flexed his and they tried to stare each other down. Neither showed any fear.

Hogan stomped and punched his way to an early advantage. Pounding away unmercifully, Hogan appeared to have Patera at his mercy. All he needed was a finishing blow. Maybe Hogan was stunned by this quick situation, for he got a little careless.

Patera was never hurt, simply playing possum! Hogan failed to detect the trick, though Blassie was shrieking warnings. Patera wound up and delivered three quick punches to Hogan's lower abdomen, doubling him up. Then a kick to the side of the head, an elbowsmash, and a kick in the throat knocked huge Hogan off his feet and to the canvas.

Unlike Patera, Hogan was not playing. He was hurt very bad. However, Patera didn't want to finish off Hogan quickly. Rather, he wanted to prolong the agony until Hogan would beg for mercy. This was Ken Patera at his cruelest.

S. HULK HOGAN

Patera leaned over and applied torturous side headlock. Hogan's lips twisted in agony. Then Patera tried to yank Hogan's head back toward his spine, an unnatural action.

Hogan had one chance. With Patera squatting on his back, hands under his chin and full strength tugging backward, Hogan was looking down the barrel of imminent disability. Maybe permanent. Feet were all that stood between Hogan and a long hospital stay.

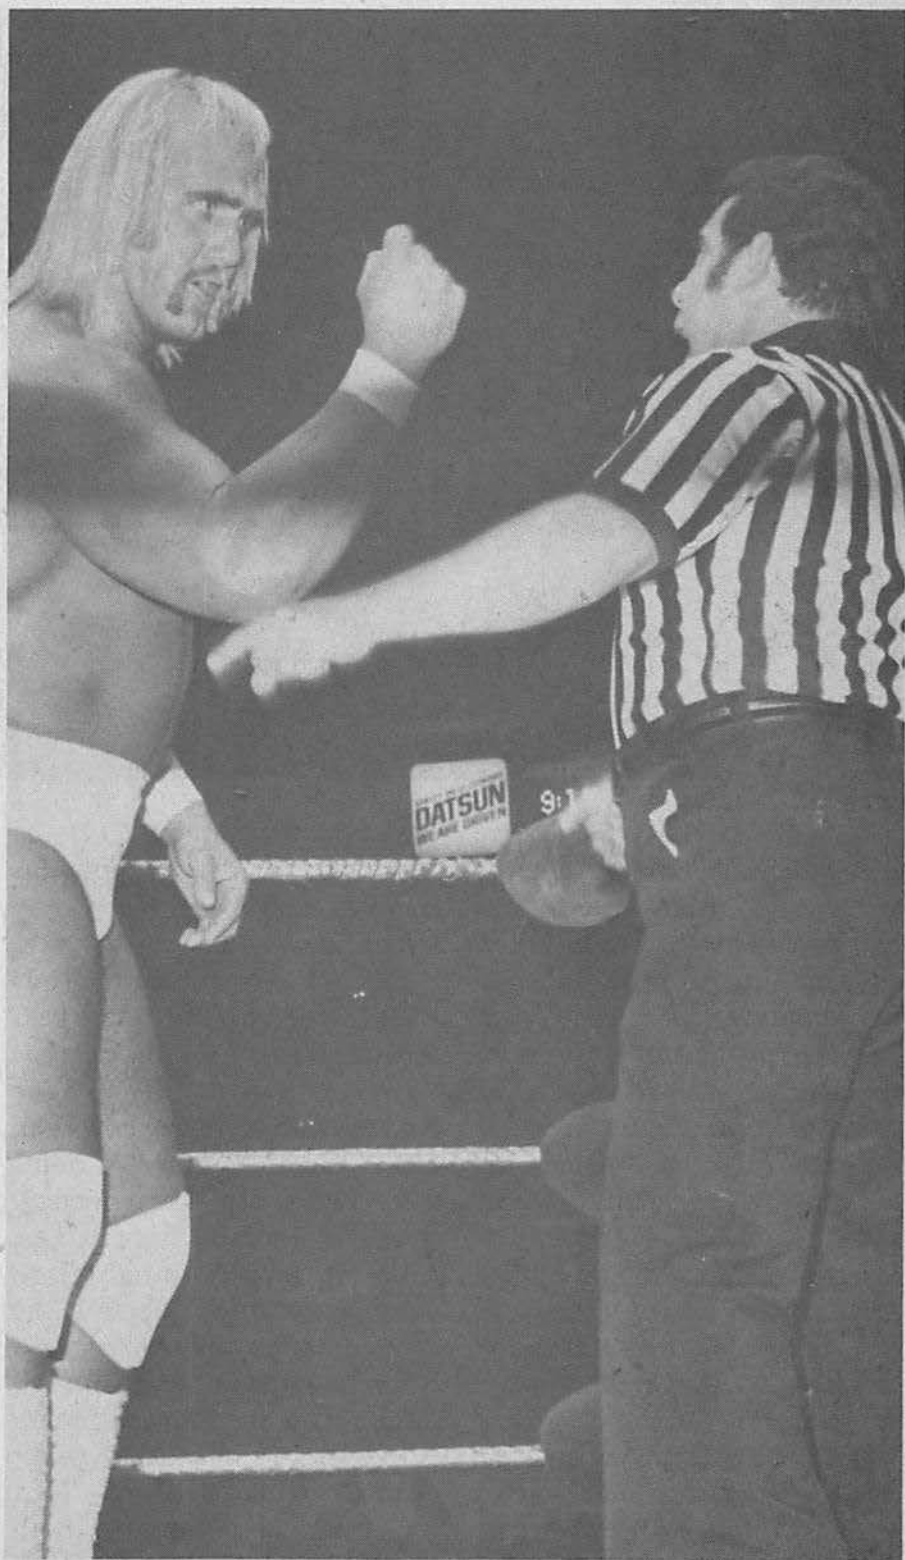

Hulk marshalled his flagging

strength and directed that energy toward his feet. His heels crashed into Patera's neck, dazing him for a precious instant. That was what Hogan needed to crawl out from under and stumble to the other side of the ring.

Now he was fully alert and ready for combat. The memory of that crippling hold infuriated him. Patera was frustrated that Hogan has escaped. The next

**Final
Match**

KEN PATERA **V**

AS IF ANDRE'S massive size wasn't tough enough to handle, Ken Patera was hampered by a groin injury sustained in his grueling semi-final bout against Hulk Hogan. The Giant had to surmount three brutal rounds before he could gain the final round.

Greg Valentine opened the festivities for Andre. The sadistic master of the figure-four leglock thought sheer brutality and cruelty would lead to victory. Valentine hadn't counted on Andre's immense courage and tenacity. Against David Von Erich in the quarter-finals, Andre was faced with a strong young man still years away from his prime. Youngsters, often possessed by innocent idealism, pose a

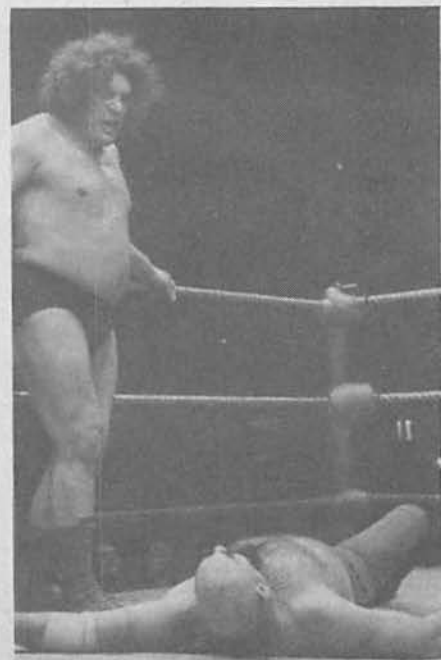

problem for Andre. Yet he managed to draw upon his reserves and beat the young scientific wrestler.

Ric Flair's semi-final challenge posed Andre's greatest threat. This was a classic confrontation. By sheer determination, Andre prevailed.

All three of Patera's bouts were wars. In the opening round, a bloodied Tommy Rich was physically unable to continue, though mentally he wanted to go on. An enraged Rick Steamboat got himself disqualified and allowed Patera to advance into the semis against Hulk Hogan. That brawl nearly obliterated both men, injuring Patera.

Ken Patera is the perfect opponent for Andre. Though

Andre is able to overpower opponents even when their strength is at a peak (above). Most of his opponents wind up this way (below).

S. **ANDRE** **THE GIANT**

Patera (above) has been known for his great strength and brutal ways. Andre (below) handles himself well in any kind of situation—scientific or roughhouse.

obviously not as strong. Patera's immense strength nearly matches Andre's. He is quicker and far meaner. Or so we thought.

Patera's early strategy was obvious: stay away from Andre's inside game and look for the swift assault from the side. It worked. Patera feinted with his right leg and danced away from Andre's cumbersome lunge. That left Andre vulnerable to a rear attack. Patera wrapped himself around Andre and attempted a bearhug. Andre broke that maneuver, sending Patera reeling into the ropes.

Andre stalked his prey. Patera lay supine upon the ropes and, as Andre grabbed for him, Ken spun away and kicked

the Giant in the ribs. A howl of pain roared across the squared circle. Andre was growing angry.

Patera dug a fist into Andre's stomach and moved back. The Giant pursued, barely missing Patera with a swipe of his hand. Again Patera stepped aside from a charge. Again Andre swung and missed. Now Andre was furious.

The Giant leaped over the ropes, leaving Patera to wonder what would come next. He didn't have to wait very long. Andre climbed back into the ring brandishing a chair! Yes, Andre was breaking the rules.

Patera seemed more frightened than confused. After all, every wrestler faces Andre with inner terror of the Giant

Early in the bout, Rich was covered with blood, some of it Patera's. But courage has been the youngster's forte. In the face of a horrifying attack, he kept his guts intact. Unfortunately, little else.

logical decision are motivated by emotional reasons. Patera's warped jealousy escapes the boundaries of the computer's powers.

But Patera trying to disfigure Rich as the result of such hate is entirely logical.

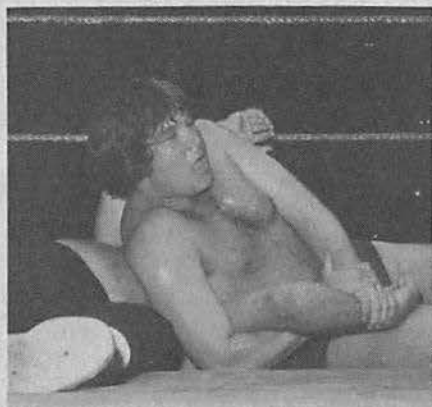

Rich came out prepared for any eventuality. He wouldn't be surprised if Patera decided to wrestle scientifically, as he's done before, or come out swinging

Rich fought valiantly. He had to use tactics which disgust him, brawling tricks he pulls out for cases of self-defense only. Rich knew Patera wanted to destroy him. He knew he had something the muscle man could never have: love.

The match was ended with Patera advancing to the next round. Rich was too bloody to continue. ☐

him backward. Hogan landed with a sickening thud and didn't move.

Ted appeared startled by this abrupt victory. He hadn't counted on Hogan being knocked unconscious, though he move was overwhelming. DiBiase looked at Hogan and flung himself down for the pin.

Hulk rolled away. He'd been playing possum and DiBiase fell right into the trick. DiBiase did an involuntary somersault and came to rest against the ropes. Hogan grinned. He wanted to savor this. Maybe he took a little too much time savoring the moment, for when he seized DiBiase, there was still fight in his opponent.

A Hulk Hogan bearhug is an awesome maneuver. Though DiBiase kicked and squirmed, desperately trying to escape, there was no way out. Hogan squeezed until DiBiase became unconscious. And the referee had to pry Hogan's arms away from DiBiase since he wouldn't release his limp victim. ☐

RIC FLAIR VS. KEVIN VON ERICH

(Continued from Page 26)

The match between Flair (above) and Von Erich (below) slowly eroded into a brawl. The experience of Flair paid off when he knew to get back into the ring ahead of the referee's count. Von Erich was left outside.

nose. Red rushed to Kevin's face but he didn't brawl. Flair smiled emptily and dove a forearm into Von Erich's forehead. Still, Kevin looked for the opportunity to apply a scientific maneuver. When Flair lowered his

head and butted Von Erich in the chest, driving him against the ropes, composure flew out of the youngster's parted lips. Roaring, he jabbed his elbow into Flair's throat. The brawl was on.

Flair hurled Von Erich onto the floor and pummeled him. Kevin wriggled free and pounded Flair in the body. Reeling, Flair lifted his leg and met Von Erich's charge with a foot in the solar plexus. That knocked Von Erich's wind right out of him. Flair seized him and they hurled each other around the ring until both toppled out of the squared circle.

Their fight filled the arena. Flair knew he had to get back into the ring. The youngster's composure was gone and he didn't make it back into the squared circle until it was too late.

Ric Flair won and advances to the quarter finals. □

VON ERICH VS. GUERRERO

(Continued from Page 27)

somehow got Chavo in a headlock, Von Erich's throbbing elbow and Guerrero's wounded pride were a volatile combination. All that was lacking was a match.

Guerrero wriggled and straightened himself erect. That unharnessed the maneuver. Slightly stunned, Von Erich wasn't ready for a hard smash to the chest. Chavo was annoyed. Von Erich was angry. A brawl followed.

Guerrero expertly uses leverage to inflict pain on his opponent.

Nothing is as dangerous as two frustrated scientific wrestlers. They pulled and flung and punched and kicked their way around the ring. Maneuvers were used for pain, not submission. Subtler points, little moves which has made them famous, were ignored. All David and Chavo cared about was brawling.

It took a devastating maneuver for the bout to end. Von Erich applied the dreaded clawhold and Chavo soon lapsed into unconsciousness. Though he later bounced up and insisted he could still continue, the match went to Von Erich. □

Fitness is my business

**I RECOMMEND
BULLWORKER®
BECAUSE IT'S FAST,
IT'S EASY AND IT
REALLY WORKS!**

Bob Breton says "I earn my living by keeping top executives in peak physical shape. My clients insist on maximum results with minimum time and effort. I recommend Bullworker because it's fast, it's easy and it really works."

Most men know they're not getting enough exercise to keep their bodies in shape.

Ten years as a fitness coach has taught me one important fact: most men will not stick with a training program long enough for it to do them any good, unless the training is fast, easy and shows results right away.

Bullworker gets a top score on all three counts:

—it's fast: each exercise takes only 7 seconds and the complete workout can be done in about five minutes

—it's easy: any man between 15 and 65 in good general health can perform the full program without getting tired

—you see your results right from the very first day on the built-in Power-meter gauge. After two to three weeks of regular training, most men can expect to measure an extra inch or two of muscle on their shoulders, chest and biceps—and an inch or two less flab around the middle.

And that's just the start: there are specialized exercises for building-up or trimming-down any part of your body you want to. What's more since Bullworker training is progressive, you perform better each time. Yet the training always seems easy since with every workout your strength increases by about 1%—that's an increase of up to 50% in just three months, and I've seen many men go on to double and even triple their strength. For my money, Bullworker is the most advanced home trainer on the market. I use it and recommend it to any man who wants to get back in top shape fast.

VALENTINE VS. ANDRE THE GIANT

(Continued from Page 28)

Valentine had a good chance to defeat Andre until he missed with a flying elbow smash. Andre then recovered enough strength to eliminate the rulebreaker from the tournament.

Andre's stamina is legendary. But so was Valentine's. They could pummel each other until one passed out. That didn't happen.

Andre seized Valentine around the shoulders and lifted him off the canvas, swinging the rulebreaker around and around before tossing him to the corner of the ring. Greg was dazed and rose very unsteadily. He sidestepped an Andre charge, tricking the Giant into ramming the post. Now Andre was shaken.

Valentine moved and kicked at Andre's head. He barely missed, but upset his

balance. The Giant lunged but his huge hands skipped past Valentine's throat. For a long moment, Andre was helpless. Valentine saw this as his opportunity for a stunning victory. Andre's first defeat. Valentine attempted a flying elbow smash but missed!

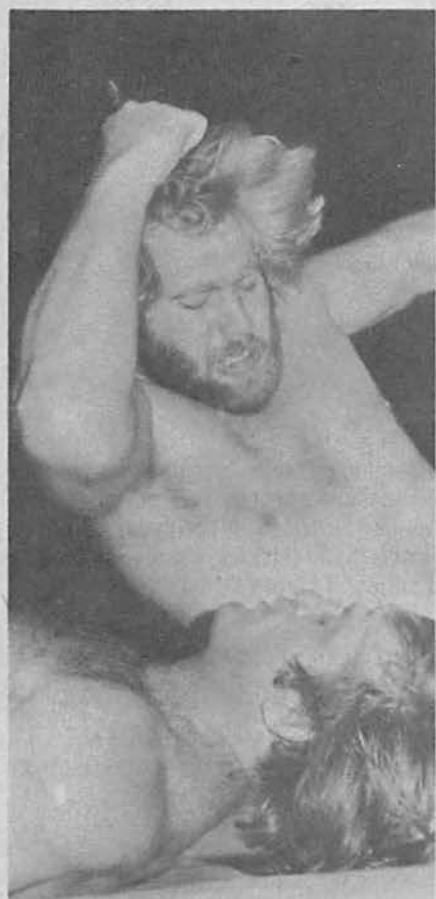

Scrambling to his feet, Andre dove atop Valentine and seemed about to finish Valentine off. Yet Valentine thrust his fingers toward Andre's eyes, trying to blind him. He tried to bite Andre's chin and neck. Finally, an infuriated Andre polished off the squirming Valentine. □

But Studd wasn't prepared for that. He hasn't had to fight like a man his entire career. He started retreating before Graham's menacing onslaught. Graham started

The elbow smash to the throat is a familiar occurrence when John Studd wrestles, toying with the fearful Studd. Abruptly, Studd tried one last gambit: he took off his shoe and swiped at Graham. That didn't work.

Within a matter of moments, Graham and Studd in a figure four leglock. It was all over. Graham would advance to the quarter finals. ☐

However, Santana demonstrated he's picked up a few little tricks along the way. He twisted free and raced to his corner. Bravo sensed what was happening. He ran to his corner. They paused for a long moment.

This was to be a simultaneous dropkick. Both raced toward the center of the ring and hurled themselves in the air. Santana was too close to the ropes. When his feet smashed into Bravo's, he was sent over the ropes.

David's feet landed squarely onto Andre's rushing figure, the full impact of the blow erupting upon Andre's chest. For a brief moment, Andre was dazed. For a brief moment, it seemed the incredible had happened. Only for a brief moment.

Andre hasn't amassed an unbeaten record only on easy matches. He recovered and grabbed Von Erich, who was tired. The end came quickly and mercifully. Andre advances to the "final four" in the semi-finals. □

The Flair leglock worked. Too well. Graham's leg was injured and the bout stopped. Ric Flair moved into the semi-finals. □

HOGAN VS. BRAVO

(Continued from Page 39)

In a familiar pose, Hulk Hogan is declared winner once again.

muscles. Hogan then turned toward Bravo, who had not moved. Hulk laughed, leaped into the air, and attempted an elbow smash. Bravo was playing possum, however. Hogan's elbow smash was right on target, but the target was no longer in place.

Dino was on his feet only fractions of a second after Hogan's elbow drove into the canvas. Bravo assumed the advantage, repeatedly stomping Hogan's sore elbow. Hulk wisely inched toward the ropes and the referee forced Bravo to stop his attack.

Dino lifted his shaken opponent, flung him into the ropes, and squared off to deliver a shoulder block. One doesn't block Hulk Hogan. Hogan stood his ground and sent Bravo hard to the floor. Dino was determined, however. He tried

again, this time bouncing himself off the ropes for momentum. Again, Hogan wouldn't budge. One more time, Bravo bounded off the ropes and charged. This time Hogan grabbed him in a bearhug.

Nearly breathless, Bravo clapped his hands into Hogan's ears to break the hold. This only angered the Hulk even further. The blond giant lifted Bravo high in the air and slammed him down across his knees. Bravo was helpless at that point.

Hogan could easily have pinned his foe, but he first wanted to inflict more torture. Following two ring-shaking bodyslams, Hogan climbed to the top turnbuckle and jumped knee-first atop Bravo's chest. Hulk then delivered a flying elbow to finish Dino off and advance to the semifinal round. □

FLAIR VS. THE GIANT

(Continued from Page 41)

Andre is victorious again. He has yet to be defeated.

kicked out of the hold before it was fully applied.

Flair grabbed hold of Andre's arms and flung him into the ropes. As Andre bounded toward him, Flair ducked down for a backdrop. The Giant landed on his shoulders as Ric wanted, but the Giant's weight was too much for Flair to throw over. With Andre still balanced on his back, Flair stumbled across the ring, accidentally depositing the Giant over the top rope, himself falling through the ropes at the same time. Both wrestlers were dazed as the referee began his count. Andre got to his feet, climbed to the ring apron, and stepped over the ropes just as the referee finished his count. Flair got to the ring apron, but was counted out. Andre the Giant advances to the finals. ☐

PATERA VS. THE GIANT

(Continued from Page 45)

A dazed Patera (above) as he was in our computer tournament late in the running. Ken likes to use an elbows mash (below) as one of his prime weapons.

as a rulebreaker. Patera narrowly missed having his head cleaved in half by the chair. As he tried to scramble to his feet, Andre took the splintered piece of wood that was once a chair and smashed Patera on the head.

Patera struggled to his feet, holding his thigh. The groin injury was bothering him. Andre saw that, seized Patera and bent him back over his leg, nearly tearing the groin to shreds. Patera was finished, the injury too severe to allow him to continue.

Andre the Giant had won. But his method cast a disturbing shadow on his future behavior. Did the computer know something no one else did? Except Andre the Giant? Will Andre dominate wrestling in the '80s by becoming a rulebreaker? Those who love wrestling must pray this is not to come true. □

PATERA VS. HOGAN

(Continued from Page 43)

segment of this bout was total, unconditional war.

Hogan came off the ropes and floored Patera. Again, Hogan bounced off the ropes and toward a rising Patera. As Hogan sped toward Patera, a thick forearm rose and caught Hulk in the mouth, flinging him to the canvas.

Patera was through with torture. Now he concentrated on victory. A succession of stomps and kicks to the throat battered Hogan. Patera used a reverse neckbreaker and nearly pinned Hogan, but he escaped at the count of two.

Ken Patera matched strength against strength with Hulk Hogan.

Still, Hogan was sub-par and losing his ability to defend himself. Then Patera issued the final challenge.

Patera put up his hands to challenge Hogan to a boxing match. Hulk grinned and nodded acceptance. As Patera moved in, waving his arms, Hogan kicked Ken in the groin and started pounding him on the head.

For his illegal behavior, Hogan was disqualified, propelling Patera into the finals. □

Get in on the PROFITS in SMALL ENGINE service and repair Start your own money

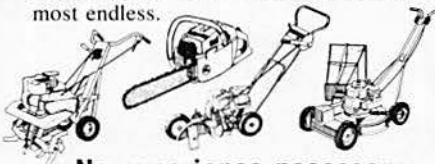

In just a short time, you can be ready to join one of the fastest growing industries in America...an industry where qualified men are making from \$10.00 to \$15.00 per hour...and that's just for labor. Parts, engines and accessories add even more to the profits.

Because the small engine industry has grown so quickly, an acute shortage of qualified Small Engine Professionals exists throughout the country. In fact, it's not unusual for a good small engine man to be three to four weeks behind in the summer and at least a week behind in the winter. When you see how many small engines are in use today, it's easy to understand why qualified men command such high prices—as much as \$17.50 for a simple tune-up that takes less than an hour!

46-million small engines are in service today!

That's right—there are over forty-six million 2-cycle and 4-cycle small engines in service across the U.S.A. That's the official count from the Engine Service Assn., and new engines are being built at a rate of one-million per month! With fully accredited and approved Belsaw training, you can soon have the skill and knowledge to make top money servicing these engines. Homeowners and businessmen will seek you out and pay you well to service and repair their lawnmowers, tillers, edgers, power rakes, garden tractors, chain saws, mini-bikes, go-carts, snowmobiles, generators, snowblowers, paint sprayers...the list is almost endless.

No experience necessary.

You don't need to be a 'born mechanic' or have prior experience. If you can read, you can master this profitable trade right at home, in your sparetime, without missing a single paycheck. Lessons are fully illustrated—so clear you can't go wrong.
